EXHIBIT C

INFORMATION REGARDING NEWCO

The information concerning Newco contained herein is based upon information provided by the Noteholder Advisors. Although the Company has no knowledge that would indicate that any statements contained herein relating to Newco are untrue or incomplete, the Company and its directors or officers disclaim any responsibility for the accuracy or completeness of such information, or for any failure by the Company to disclose events or facts that may have occurred or which may affect the significance or accuracy of any such information, but which are unknown to the Company. Defined terms capitalized but not otherwise defined in this Plan Supplement shall have the meanings given them in the Information Statement.

Newco will be incorporated as an exempt company under the laws of the Cayman Islands pursuant to the Plan. Newco will be formed and organized in a manner acceptable to the Initial Consenting Noteholders and in form and substance satisfactory to SFC and the Monitor. It is expected that Newco will be formed shortly before the Plan Implementation Date.

Newco Shares

Newco will have share capital consisting of a single class of voting shares, being the Newco Shares. The Newco Shares issued on the Plan Implementation Date will be fully paid and non-assessable.

In the event that the share capital of Newco is subsequently divided into different classes of shares, the rights attached to any class may be varied by a shareholders' resolution passed at a separate meeting of the holders of shares of that class by at least 66 2/3% of the votes cast at such meeting. In addition, with the consent of the holders of at least 66 2/3% of the votes cast at a shareholders' meeting, Newco may issue equity securities having a preference over the Newco Shares. According to the law of the Cayman Islands, such issuances and variances of rights will not generally give rise to dissent rights (as that term is understood under Canadian law).

Newco is not, and will not be following the Plan Implementation Date, a reporting issuer (or equivalent) in any jurisdiction and the Newco Shares will not be listed on any stock exchange or quotation service on the Plan Implementation Date.

Dividends

Subject to preferences for the receipt of dividends that may be accorded to holders of any other classes of shares of Newco ranking senior to the Newco Shares that may be authorized from time to time holders of Newco Shares are entitled to receive, if, as and when declared by the board of directors of Newco, such dividends as may be declared thereon by the board from time to time in equal amounts per share on the Newco Shares at the time outstanding, without preference or priority.

Shareholder Meetings

Newco will hold its first annual general meeting of shareholders not earlier than 12 months following the Plan Implementation Date, with subsequent annual general meetings to be held annually thereafter. At any time after the expiry of the first 12-month period following the Plan Implementation Date, an extraordinary general meeting may be requisitioned by Newco shareholders holding 10% or more of the issued and outstanding Newco Shares.

Quorum for any annual or extraordinary general meeting of shareholders shall be two or more persons present in person and representing in person or by proxy in excess of 33 1/3% of the issued and outstanding shares entitled to vote at a general meeting.

Board of Directors

The board of directors of Newco will initially consist of up to five directors, who will be satisfactory to the Initial Consenting Noteholders, and may be expanded to include up to ten directors. Although Cayman law and Newco's articles of association permit corporations to serve as directors, all of the directors on the Newco board as of the Plan Implementation Date will be individuals. A director is entitled to appoint an alternate or a proxy to attend board meetings (in person or by telephone) in the director's absence.

Commencing with the first annual general meeting of Newco shareholders following the Plan Implementation Date, any shareholder that (i) was an Initial Consenting Noteholder and (ii) owns (individually or together with its affiliates) shares representing 10.0% or more of the shares then issued and outstanding that carry the right to vote at general meetings (excluding for the purposes of such calculation any shares held at such time by SFC Escrow Co.) (a "**10% Position**") and has either (A) owned (beneficially or as a registered shareholder) such 10% Position continuously since the Plan Implementation Date, or (B) acquired such 10% Position from a prior 10%+ Shareholder (each a "**10%+ Shareholder**") shall be entitled to appoint one director to the board. The remaining directors shall be elected by the Newco shareholders as a group. A Newco shareholder must be the registered owner of its 10% Position in order to exercise any rights it may have as a 10%+ Shareholder.

A 10%+ Shareholder's board appointment right shall be transferable only in connection with its sale of a 10% Position to another person. No person that acquires a 10% Position after the Plan Implementation Date, other than in connection with an acquisition of a 10% Position from a 10%+ Shareholder, shall be entitled to appoint a director to the Newco board. In the event a 10%+ Shareholder ceases to own a 10%+ Position, the director appointed by it shall resign and such 10%+ Shareholder will lose its right to appoint a director to the Newco board.

Directors (other than any director appointed by a 10%+ Shareholder) will be elected by shareholders on an annual basis at the Newco annual general meeting. Any director appointed by a 10%+ Shareholder may only be removed by that 10%+ Shareholder and a 10%+ Shareholder shall be entitled to appoint another director in his place.

Prior to the first annual general meeting, a director may only be removed with the support of shareholders holding at least 66-2/3% of the votes cast at the meeting. On or following the first annual general meeting, a director (other than a director appointed by a 10%+ Shareholder) may be removed with the support of shareholders holding more than 50% of the votes cast at the meeting.

Information Rights

Newco will deliver to each shareholder: (a) copies of Newco's annual financial statements within 180 days of each fiscal year end; and (b) copies of Newco's semi-annual financial statements within 90 days of the end of each financial half-year. The board of directors of Newco will have the discretion whether or not to obtain an audit of the annual financial statements. Upon reasonable request, Newco will also deliver to any shareholder, at the cost and expense of such shareholder, such tax-related information, reports and statements relating to Newco and its

subsidiaries as are reasonably necessary for the filing of any tax return or the making or implementing of any election related to taxes.

Pre-emptive Rights

If Newco wishes to issue equity securities (or any securities convertible into or exchangeable for equity securities of Newco, including convertible debt) other than (a) pursuant to an initial public offering, (b) equity incentive awards to directors, officers or employees of Newco, which awards represent in the aggregate less than 10% of the outstanding Newco Shares (or such higher limit as may be approved by shareholders), or (c) in respect of share splits, share dividends or similar capital reorganizations, it shall offer such securities to each shareholder pro rata in proportion to the number of Newco Shares held by such shareholder at the time of the offer prior to selling such securities to non-shareholders.

Redemption

Newco may redeem Newco Shares in accordance with applicable Cayman law, provided that such shares are redeemed on a pro rata basis.

Drag-Along Rights

In the event holders of at least 66-2/3% of the outstanding Newco Shares wish to sell all of their Newco Shares to a third party, they will have the right to force the other shareholders to sell all of their Newco Shares on the same terms, thereby enabling a sale of the entire company.

Shareholder Approval Rights

In addition to certain other matters requiring approval by special resolution under applicable Cayman law (including amendment of Newco's memorandum or articles of association and a voluntary winding-up of Newco), other than as specified in the Plan Newco may not undertake any of the following fundamental actions without the prior approval of shareholders holding at least 66-2/3% of the Newco Shares present and voting at the meeting:

- any reorganization, recapitalization, amalgamation, merger or consolidation of or involving Newco;
- issuance of (i) any equity securities having a preference over the Newco Shares, or (ii) equity incentive awards to directors, officers or employees, which awards represent in the aggregate in excess of 10% of the outstanding Newco Shares;
- the sale of all or substantially all of Newco's assets (on a consolidated basis);
- any material change in the nature of Newco's business;
- affiliated or related party transactions (other than transactions between Newco and its wholly-owned subsidiaries); and
- a voluntary liquidation, dissolution or winding up of Newco or any of its material Subsidiaries (other than in connection with an internal restructuring).

Management

The ad hoc committee of Noteholders, together with its advisors, is reviewing potential candidates for appointment to the Newco board of directors and to serve as senior management of Newco. It is intended that the directors and senior management of Newco will be appointed on or prior to the Plan Implementation Date.

Newco II

Prior to the Plan Implementation Date, it is intended that Newco will organize a wholly-owned subsidiary as an exempt company under the laws of the Cayman Islands ("Newco II") for the purpose of acquiring from Newco the SFC Assets to be transferred by SFC to Newco on implementation of the Plan. As the SFC Assets consist primarily of the shares of the six Direct Subsidiaries of SFC (which are incorporated in multiple different jurisdictions), holding the SFC Assets through a single, wholly-owned subsidiary of Newco is intended to facilitate the resolution of any tax, jurisdictional or other issues that may arise out of a subsequent sale of all or substantially all of Newco's assets. It is intended that the memorandum and articles of association of Newco II will be in a form customary for a wholly-owned subsidiary and that the initial board of directors of Newco II will consist of the same individuals appointed as the directors of Newco on or prior to the Plan Implementation Date.

Newco Names

Newco will be named Evergreen China Holdings Ltd. and Newco II will be named Evergreen China Holdings II Ltd.

EXHIBIT D

DESCRIPTION OF NEWCO NOTES

For purposes of this "Description of the Notes," the term "Company," "we" and "our" refers to Evergreen China Holdings Ltd., and any successor obligor on the Notes, and not to any of its Subsidiaries. Each Subsidiary of the Company which Guarantees the Notes is referred to as a "Subsidiary Guarantor," and each such Guarantee is referred to as a "Subsidiary Guarantee."

The Notes are to be issued under an Indenture, to be dated as of the Original Issue Date, among the Company, the Subsidiary Guarantors, as guarantors, Computershare Trust Company, N.A., as trustee (the "Trustee") and Computershare Trust Company, N.A., as collateral trustee (the "Security Trustee").

The following is a summary of certain material provisions of the Indenture, the Notes and the Subsidiary Guarantees. This summary does not purport to be complete and is qualified in its entirety by reference to all of the provisions of the Indenture, the Notes and the Subsidiary Guarantees. It does not restate those agreements in their entirety. Whenever particular sections or defined terms of the Indenture not otherwise defined herein are referred to, such sections or defined terms are incorporated herein by reference. Copies of the Indenture will be available on or after the Original Issue Date at the corporate trust office of the Trustee in Colorado and on the website maintained by the Monitor at the following web address: <http://cfcanafticonsulting.com/sfc>.

Brief Description of the Notes

General

The Notes are limited in aggregate principal amount to US\$300 million. After the Original Issue Date, the Company may at any time and from time to time issue (a) Additional Notes under the Indenture in one or more series that share Liens on the Collateral on a pari-passu basis with the Notes (and without regard to any restrictions or limitations set forth under the covenants entitled "Limitation on Indebtedness and Disqualified or Preferred Stock" and "Limitation on Liens"), provided that the aggregate principal amount of the Notes and Additional Notes outstanding at any time may not exceed \$400 million; (b) in connection with the payment of PIK Interest (as defined below) (and without regard to any restrictions or limitations set forth under the covenants entitled "Limitation on Indebtedness and Disqualified or Preferred Stock" and "Limitation on Liens"), increase the outstanding principal amount of the Notes or issue additional notes (the "PIK Notes") under the Indenture on the same terms and conditions as the Notes issued on the Original Issue Date. The Notes, any Additional Notes and any PIK Notes subsequently issued under the Indenture will be treated as a single series for all purposes under the Indenture; and (c) Permitted Priority Secured Indebtedness that is secured by Liens on the Collateral ranking senior in priority to the Liens granted to secure payment of the Notes, Additional Notes and PIK Notes (and without regard to any restrictions or limitations set forth under the covenants entitled "Limitation on Indebtedness and Disqualified or Preferred Stock" and "Limitation on Liens"), provided that the aggregate principal amount of such Permitted Priority Secured Indebtedness outstanding at any time may not exceed the Permitted Priority Secured Indebtedness Cap. Unless the context requires otherwise, references to "Notes" for all purposes of the Indenture and this "Description of the Notes" include any Additional Notes and any PIK Notes that are actually issued.

The Notes are:

- general obligations of the Company;
- guaranteed by the Subsidiary Guarantors on a senior basis, subject to the limitations described below under the caption "—The Subsidiary Guarantees,
- senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes;

- 2 -

- at least *pari passu* in right of payment with all other unsecured, unsubordinated Indebtedness of the Company (subject to any priority rights of such unsubordinated Indebtedness pursuant to applicable law); and
- effectively subordinated to all existing and future obligations of the Non-Guarantor Subsidiaries.

In addition, the Notes will be secured by pledges, mortgages and/or charges of the Collateral as described below under the caption "—Security" and will:

- effectively rank, with respect and to the extent of the value of the Collateral, subject to Permitted Liens, *pari passu* with any Additional Notes issued in compliance with the Indenture;
- effectively rank, with respect and to the extent of the value of the Collateral, junior to all future obligations of the Company in respect of any Permitted Priority Secured Indebtedness that are secured on a first priority basis by the Collateral; and
- rank effectively senior in right of payment to unsecured obligations of the Company with respect to the value of the Collateral pledged, mortgaged or charged by the Company securing the Notes (subject to any priority rights of such unsecured obligations pursuant to applicable law).

Maturity and Interest

The Notes will mature 7 years from the Original Issue Date, unless earlier redeemed pursuant to the terms thereof and the Indenture. The Indenture allows additional Notes to be issued from time to time (the "Additional Notes"), subject to certain limitations described under "—Further Issues." Unless the context requires otherwise, references to the "Notes" for all purposes of the Indenture and this "Description of Notes" include any Additional Notes and PIK Notes that are actually issued.

Interest on the Notes will be payable in cash or, at the Company's election (a "PIK Election") from time to time, partially in cash and partially in payment in kind notes, or entirely in PIK Notes ("PIK Notes"). In all cases, interest shall be payable on a semi-annual basis in arrears on the last day of the month which is the sixth month following the Original Issue Date and the twelfth month following the Original Issue Date of each year (each an "Interest Payment Date"), commencing on the last day of the month which is the sixth month following the Original Issue Date, to holders of record of the Notes at the close of business on the immediately preceding fifteenth day of such sixth or twelfth month, respectively (each, a "Record Date") notwithstanding any transfer, exchange or cancellation thereof after a Record Date and prior to the immediately following Interest Payment Date.

Interest on the Notes will accrue from the later of the Original Issue Date or the most recent date to which interest has been paid, as applicable. Interest on the Notes will be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Interest will accrue at a rate of 6% per annum if the interest for such interest period is paid fully in cash. In the event that the Company makes a PIK Election in accordance with the Indenture, the cash interest portion (if any) of interest payable will accrue and be paid for such interest period at a rate of 6% per annum and the interest paid-in-kind portion ("PIK Interest") of interest paid through the issuance of PIK Notes will accrue for such interest period at a rate of 8% per annum. The Company must elect the form of interest payment with respect to each interest period by delivering a written notice to the Trustee on or prior to the Record Date in respect of the relevant Interest Payment Date. In the absence of such an election for any interest period, interest on the Notes shall be payable according to the election for the previous interest period.

From and after the occurrence of an Event of Default, overdue principal and interest on the Notes will bear interest payable in cash at the rate of an additional 2% per annum

- 3 -

In any case in which the date of the payment of principal of or interest on the Notes shall not be a Business Day in the relevant place of payment, then payment of principal or interest need not be made in such place on such date but may be made on the next succeeding Business Day in such place.

Any payment made on such Business Day shall have the same force and effect as if made on the date on which such payment is due, and no interest on the Notes shall accrue for the period after such date.

The Notes will be issued only in fully registered form, without coupons, in minimum denominations of US\$2,000 of principal amount and integral multiples of US\$1,000 in excess thereof. No service charge will be made for any registration of transfer or exchange of Notes, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge payable in connection therewith.

All payments on the Notes will be made in U.S. dollars by the Company at the office or agency of the Company maintained for that purpose (which initially will be the corporate trust administration office of the Trustee, currently located at 350 Indiana Street, Suite 750, Golden, CO 80401), and the Notes may be presented for registration of transfer or exchange at such office or agency; provided that, at the option of the Company, payment of interest may be made by check mailed to the address of the Holders as such address appears in the Note register. Interest payable on the Notes held through DTC will be available to DTC participants (as defined herein) in accordance with DTC's applicable procedures.

The Subsidiary Guarantees

The Subsidiary Guarantee of each Subsidiary Guarantor:

- is a general obligation of such Subsidiary Guarantor;
- is senior in right of payment to all future obligations of such Subsidiary Guarantor expressly subordinated in right of payment to such Subsidiary Guarantee; and
- ranks at least *pari passu* with all other unsecured, unsubordinated Indebtedness of such Subsidiary Guarantor (subject to priority rights of such unsubordinated Indebtedness pursuant to applicable law).

In addition, subject to the limitations described therein, the Subsidiary Guarantee of each Subsidiary Guarantor Pledgor (as defined below) will:

- effectively rank, with respect and to the extent of the value of the Collateral owned by such Subsidiary Guarantor Pledgor, subject to Permitted Liens, *pari passu* with any future Additional Notes issued in compliance with the Indenture;
- effectively rank, with respect and to the extent of the value of the Collateral owned by such Subsidiary Guarantor Pledgor, junior to all future Permitted Priority Secured Indebtedness of such Subsidiary Guarantor Pledgor that is secured by Liens on the Collateral owned by such Subsidiary Guarantor Pledgor in favour of the holders of the Permitted Priority Secured Indebtedness; and
- will rank effectively senior in right of payment to the unsecured obligations of such Subsidiary Guarantor Pledgor with respect to the value of the Collateral securing such Subsidiary Guarantee (subject to priority rights of such unsecured obligations pursuant to applicable law).

Under the Indenture, each of the Subsidiary Guarantors will jointly and severally Guarantee the due and punctual payment of the principal of, premium, if any, and interest on, and all other amounts payable under, the Notes, the Indenture and the Security Documents. The Subsidiary Guarantors have (1) agreed that their obligations under the Subsidiary Guarantees will be enforceable irrespective of any invalidity, irregularity or unenforceability of the Notes or the Indenture and (2) waived their right to require the Trustee to pursue or exhaust its legal or equitable remedies against the Company prior to exercising its rights under the Subsidiary Guarantees. Moreover, if at any time any amount paid under a Note is rescinded or must otherwise be restored, the rights of the Holders under the

- 4 -

Subsidiary Guarantees will be reinstated with respect to such payments as though such payment had not been made. All payments under the Subsidiary Guarantees will be made in U.S. dollars.

Not all of the Company's Restricted Subsidiaries will guarantee the Notes. None of the Company's over 40 significant current operating or other PRC Subsidiaries, or our Initial Unrestricted Subsidiaries (as defined herein), will provide a Subsidiary Guarantee. Each of the Company's Subsidiaries that does not guarantee the Notes is referred to as a "Non-Guarantor Subsidiary." In addition, no future Subsidiaries of the Company that may be organized under the laws of the PRC or another jurisdiction that prohibits such Subsidiary from guaranteeing the payment of the Notes will provide a Subsidiary Guarantee, such Subsidiaries referred to herein as "Foreign Subsidiaries." In the event of a bankruptcy, liquidation or reorganization of any Non-Guarantor Subsidiary, the Non-Guarantor Subsidiary will pay the holders of its debt and its trade creditors before it will be able to distribute any of its assets to the Company or a subsidiary of the Company, as the case may be. The Subsidiary Guarantors are primarily either holding companies that operate through subsidiaries or entities that directly hold property and assets and/or engage in business operations and generate income. Although under the accounting standards applicable to us and our Subsidiaries, such Subsidiary Guarantors recognize a significant portion of our income and hold a significant portion of our assets on a consolidated basis, most of such property and assets are physically located, and most of such income is earned and held, in the PRC and denominated in Renminbi. As a result, even though such Subsidiary Guarantors have agreed to guarantee the obligations of the Company under the Notes, their assets and cash are unlikely to be available to service our obligations under the Notes due to PRC foreign currency exchange controls or uncertainties in the PRC legal system and/or payments from them may be delayed or subject to PRC tax regimes.

In addition, our Subsidiaries that do not guarantee the Notes hold significant amounts of our assets and/or generate a significant portion of our income and the portion of assets held or income generated by Subsidiary Guarantors may decrease in the future. We are a holding company and payments with respect to the Notes are structurally subordinated to liabilities, contingent liabilities and obligations of certain of our Subsidiaries.

The Company will cause each of its future Restricted Subsidiaries (other than Subsidiaries organized under the laws of the PRC or Foreign Subsidiaries), immediately upon becoming a Restricted Subsidiary, to execute and deliver to the Trustee a supplemental indenture pursuant to which such Restricted Subsidiary will become a Subsidiary Guarantor and will Guarantee the payment of the Notes.

- 5 -

Under the Indenture, and any supplemental indenture thereto, as applicable, each Subsidiary Guarantee will be limited in an amount not to exceed the maximum amount that can be guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to insolvency, fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or the ability of related parties to provide guarantees. If a Subsidiary Guarantee were to be rendered void or voidable, it could be rendered ineffective or subordinated by a court to all other indebtedness (including guarantees and other contingent liabilities) of the applicable Subsidiary Guarantor, and, depending on the amount of such indebtedness, a Subsidiary Guarantor's liability on its Subsidiary Guarantee could be reduced to zero.

Release of the Subsidiary Guarantees

A Subsidiary Guarantee given by a Subsidiary Guarantor may be released in certain circumstances, including:

- upon repayment in full of the Notes;
- upon a defeasance as described under "—Defeasance;"
- upon the designation by the Company of a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with terms of the Indenture; or
- upon the sale of a Subsidiary Guarantor in compliance with the terms of the Indenture (including the covenants under the captions "Certain Covenants—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries," "Certain Covenants—Limitation on Asset Sales" and "Consolidation, Merger and Sale of Assets") resulting in such Subsidiary Guarantor no longer being a Restricted Subsidiary, so long as (1) such Subsidiary Guarantor is simultaneously released from its obligations in respect of any of the Company's other Indebtedness or any Indebtedness of any other Restricted Subsidiary and (2) the proceeds from such sale or disposition are used for the purposes permitted or required by the Indenture.

Limitations on Subsidiary Guarantees and Enforcement of Security

The obligations of each Subsidiary Guarantor under its respective Subsidiary Guarantee and the enforceability of the Collateral granted in respect of such Subsidiary Guarantees of the Subsidiary Guarantor Pledgors may be limited, or possibly invalid, under applicable laws. Certain of the Subsidiary Guarantors have significant loans or other obligations due to other subsidiaries within the Sino-Forest group. The guarantee by a Subsidiary Guarantor may be voided or subject to review under applicable insolvency or fraudulent transfer laws, or subject to a lawsuit by or on behalf of creditors of such Subsidiary Guarantor. In addition, the Subsidiary Guarantees may be challenged under applicable insolvency or fraudulent transfer laws, which could impair the enforceability of the Subsidiary Guarantees.

Unrestricted Subsidiaries

As of the date of the Indenture, all of the Company's Subsidiaries (except Greenheart Group Limited and its Subsidiaries (the "Initial Unrestricted Subsidiaries")) will be "Restricted Subsidiaries." Additionally, under the circumstances described below under the caption "—Certain Covenants—Designation of Restricted and Unrestricted Subsidiaries," the Company will be permitted to designate certain of its other Subsidiaries as "Unrestricted Subsidiaries." The Company's Unrestricted Subsidiaries (including the Initial Unrestricted Subsidiaries) will not be subject to many of the restrictive covenants in the Indenture. The Company's Unrestricted Subsidiaries (including the Initial Unrestricted Subsidiaries) will not Guarantee the Notes.

Security

Subject to the arrangements described under the caption "—Intercreditor Agreement—" below, Company has agreed, for the benefit of the Holders of the Notes, to pledge, mortgage or charge, or cause the initial Subsidiary Guarantor Pledgors to pledge, mortgage or charge, as the case may be, all property and assets of the Company and the initial Subsidiary Guarantors (including the Capital Stock of the initial Subsidiary Guarantors) (the "Collateral") on a first priority basis (subject to Permitted Liens) on the Original Issue Date in order to secure the obligations of the Company under the Notes and the Indenture and of such initial Subsidiary Guarantor Pledgors under their respective Subsidiary Guarantees.

The initial Subsidiary Guarantor Pledgors will be Sino-Forest Investments Limited (BVI), Sino-Capital Global Inc. (BVI), Mandra Forestry Holdings Limited (BVI), Mandra Forestry Finance Limited (BVI), Mandra Forestry Anhui Limited (BVI), Sino-Global Holdings Inc. (BVI), Sino-Wood Partners, Limited (HK), Sinowood Limited (Cayman Islands), Sino-Plantation Limited (HK), Suri-Wood Inc. (BVI), Sino-Panel (Asia) Inc. (BVI), Sino-Panel Holdings Limited (BVI), Dynamic Profit Holdings Limited (BVI) and Sino-Forest International (Barbados) Corporation (Barbados).

The Company has also agreed, for the benefit of the Holders of the Notes, to pledge, mortgage or charge, or cause each Subsidiary Guarantor to pledge, mortgage or charge, all property and assets (including the Capital Stock owned by the Company or such Subsidiary Guarantor) of any Person that is a Restricted Subsidiary or becomes a Restricted Subsidiary (other than Persons organized under the laws of the PRC or any other jurisdiction that prohibits such property and assets of such Restricted Subsidiaries from being pledged, mortgaged or charged, to secure the obligations of the Company or such Subsidiary Guarantor) after the Original Issue Date, promptly upon such Person becoming a Restricted Subsidiary, to secure the obligations of the Company under the Notes and the Indenture, and of such Subsidiary Guarantor under its Subsidiary Guarantee, in the manner described above.

The value of the Collateral securing the Notes and the Subsidiary Guarantees of the Subsidiary Guarantor Pledgors may not be sufficient to satisfy the Company's and each of the Subsidiary Guarantor Pledgors' obligations under the Notes, and the Subsidiary Guarantees of the Subsidiary Guarantor Pledgors, and the Collateral securing the Notes and such Subsidiary Guarantees may be reduced or diluted under certain circumstances, including the enforcement of the priority Liens granted over the Collateral as security for the payment of any Permitted Priority Secured Indebtedness and any Permitted Priority Subsidiary Guarantees, the issuance of Additional Notes and the disposition of assets comprising the Collateral, subject to the terms of the Indenture.

No appraisals of the Collateral have been prepared in connection with this offering of the Notes. There can be no assurance that the proceeds of any sale of the Collateral, in whole or in part, pursuant to the Indenture and the Security Documents following an Event of Default, would be sufficient to satisfy amounts due on the Notes or the Subsidiary Guarantees of the Subsidiary Guarantor Pledgors. By its nature, some or all of the Collateral will be illiquid and may have no readily ascertainable market value. Accordingly, there can be no assurance that the Collateral would be sold in a timely manner or at all.

So long as no Default has occurred and is continuing, and subject to the terms of the Security Documents, the Company and the Subsidiary Guarantor Pledgors, as the case may be, will be entitled to exercise any and all voting rights and to receive and retain any and all cash dividends, stock dividends, liquidating dividends, non-cash dividends, shares or stock resulting from stock splits or reclassifications, rights issues, warrants, options and other distributions (whether similar or dissimilar to the foregoing) in respect of Capital Stock constituting Collateral.

Permitted Priority Secured Indebtedness

The Company and each Subsidiary Guarantor Pledgor may create Liens on the Collateral ranking senior to the Lien for the benefit of the Holders to secure Permitted Priority Secured Indebtedness of the Company and any Permitted Priority Subsidiary Guarantee of a Subsidiary Guarantor Pledgor; *provided that* (i) the principal amount of such Permitted Priority Secured Indebtedness may not exceed the amount of the Permitted Priority Secured Indebtedness Cap, (ii) the holders of such Indebtedness (or their representative) become party to an Intercreditor Agreement, as referred to below, (iii) the instrument or agreement creating such Indebtedness contains provisions with respect to releases of Collateral and such Permitted Priority Subsidiary Guarantee substantially similar to and no more restrictive on the Company and such Subsidiary Guarantor Pledgor than the provisions of the Indenture and

- 7 -

the Security Documents and (iv) the Company and such Subsidiary Guarantor Pledgor deliver to the Security Trustee an Opinion of Counsel with respect to corporate and collateral matters in connection with the Security Documents, in form and substance as set forth in the Security Documents. The Trustee and the Security Trustee will be permitted and authorized, without the consent of any Holder, to enter into any amendments to the Security Documents or the Indenture and take any other action necessary to permit the creation and registration of Liens on the Collateral to secure Permitted Priority Secured Indebtedness in accordance with this paragraph (including, without limitation, the appointment of any collateral agent or trustee under the Intercreditor Agreement referred to below to hold the Collateral on behalf of the Holders and the holders of Permitted Priority Secured Indebtedness).

Except for certain Permitted Liens and the Permitted Priority Secured Indebtedness, the Company and its Restricted Subsidiaries will not be permitted to issue or Incur any other Indebtedness secured by all or any portion of the Collateral without the consent of each Holder of the Notes then outstanding.

Intercreditor Agreement

As of the Original Issue Date, the Collateral will be pledged, mortgaged or charged, to secure the obligations of the Company and the Subsidiary Guarantors under the Notes and the Subsidiary Guarantees, pursuant to the terms of the Security Documents. After the Original Issue Date, to the extent that the Company issues Permitted Priority Secured Indebtedness in accordance with the terms of the Indenture, the holders of such Permitted Priority Secured Indebtedness (or the agent, trustee or representative thereof) (the "Permitted Priority Trustee") will be required to enter into an intercreditor agreement (the "Intercreditor Agreement") with the Trustee and the Security Trustee, and acknowledged by the Company, providing, among other things, (1) that the Liens in and to the Collateral securing the Notes shall rank second only to the Liens in and to the Collateral securing the Permitted Priority Secured Indebtedness in favour of the Permitted Priority Trustee, all to the extent and in the manner set forth in such Intercreditor Agreement and containing the additional terms set forth in the Indenture (the "Pre-Agreed Intercreditor Terms") (2) for the conditions under which the parties thereto will consent to the release of or granting of any Lien on such Collateral; and (3) for the conditions under which the parties thereto will enforce their rights with respect to such Collateral and the Indebtedness secured thereby. The Collateral securing the obligations of the Company and the Subsidiary Guarantors in favour of the Holders of any Permitted Priority Secured Indebtedness shall in no event be comprised of any collateral in addition to the Collateral securing the obligations of the Company and the Subsidiary Guarantors in respect of the Notes unless such additional collateral is also granted to the Trustee and the Security Trustee for the benefit of the Holders.

Each Holder of Notes shall be bound by the provisions of the Indenture and any intercreditor agreement entered into by the Trustee which contains terms and conditions substantially the same as the Pre-Agreed Intercreditor Terms, and the Trustee and the Security Trustee shall be authorized and directed pursuant to the terms of the Indenture to enter into any such Intercreditor Agreement with the Permitted Priority Trustee for the holders of any such Permitted Priority Secured Indebtedness.

The Intercreditor Agreement will also provide that when the property and assets (including the Capital Stock) of any Person that is or becomes a Restricted Subsidiary (other than Persons organized under the laws of the PRC or any other jurisdiction that prohibits such Restricted Subsidiaries from guaranteeing the payment of the Notes) is delivered as security as described in the third paragraph of "—Security" above, such property and assets (including the Capital Stock) would also be deemed to be Collateral, and subject to the sharing of interest in such security, under the terms of the Intercreditor Agreement.

Enforcement of Security

The Liens securing the Notes and the Subsidiary Guarantees of the Subsidiary Guarantor Pledgors will be granted to the Security Trustee. The Security Trustee will hold such Liens and security interests in the Collateral granted pursuant to the Security Documents with sole authority as directed by the Secured Parties (or their respective representatives) to exercise remedies under the Security Documents. The Security Trustee will agree to act as secured party on behalf of the Secured Parties (or their respective representatives) under the applicable Security Documents, to follow the instructions provided to it by the Secured Parties (or their respective representatives) under the Indenture and to carry out certain other duties. The Trustee will give instructions to the Security Trustee in accordance with instructions it receives from the Holders under the Indenture.

- 8 -

The Indenture and/or the Security Documents will principally provide that, at any time while the Notes are outstanding, the Security Trustee will have the exclusive right to manage, perform and enforce the terms of the Security Documents relating to the Collateral and to exercise and enforce all privileges, rights and remedies thereunder according to its direction, including to take or retake control or possession of such Collateral and to hold, prepare for sale, process, lease, dispose of or liquidate such Collateral, including, without limitation, following the occurrence of a Default under the Indenture.

All payments received and all amounts held by the Security Trustee in respect of the Collateral under the Security Documents will be applied, subject to the terms of any Intercreditor Agreement, as follows:

first, to the Security Trustee to the extent necessary to reimburse the Security Trustee for any expenses incurred in connection with the collection or distribution of such amounts held or realized or in connection with expenses incurred in enforcing its remedies under the Security Documents and preserving the Collateral and all amounts for which the Security Trustee is entitled to indemnification or otherwise owed under the Indenture and/or the Security Documents;

second, to the Trustee for its benefit and the benefit of Holders, to the Paying Agent and Registrar, all pursuant to the terms of the Indenture; and

third, any surplus remaining after such payments will be paid to the Company or the Subsidiary Guarantor Pledgors or to whomever may be lawfully entitled thereto.

The Security Trustee may decline to foreclose on, or enforce the security interest created over, the Collateral or exercise remedies available if it does not receive indemnification to its satisfaction. In addition, the Security Trustee's ability to foreclose on, or enforce the security interest created over, the Collateral may be subject to lack of perfection, the consent of third parties, prior Liens and practical problems associated with the realization of the Security Trustee's Liens on the Collateral. Neither the Security Trustee nor any of its officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral securing the Notes, for the legality, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency, maintenance or protection of any of the Liens, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Security Documents or any delay in doing so.

The Indenture and/or the Security Documents will provide that the Company and the Subsidiary Guarantor Pledgors will Indemnify the Security Trustee for all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind imposed against the Security Trustee arising out of the Security Documents or the Indenture except to the extent that any of the foregoing are finally judicially determined to have resulted from the gross negligence or willful misconduct of the Security Trustee.

Release of Security

The security created in respect of the Collateral granted under the Security Documents may be released in certain circumstances, subject to the terms of the Security Documents and any Intercreditor Agreement, including:

- upon repayment in full of the Notes;
- upon defeasance and discharge of the Notes as provided below under the caption "—Defeasance";
- upon certain dispositions of the Collateral in compliance with the covenants under the captions "—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries" or "—Limitation on Asset Sales" or in accordance with the provision under the caption "—Consolidation, Merger and Sale of Assets";
- with respect to security granted by a Subsidiary Guarantor Pledgor, upon the release of the Subsidiary Guarantee of such Subsidiary Guarantor Pledgor in accordance with the terms of the Indenture; and

- 9 -

- with respect to all or any part of the Collateral, by the Security Trustee in connection with any enforcement of its Liens pursuant to the terms of the Security Agreement.

Further Issues

The Company may, from time to time, without notice to or the consent of the Holders (and without regard to any restrictions or limitations set forth under the "Limitation on Indebtedness and Disqualified or Preferred Stock" covenant described below), create and issue Additional Notes having the same terms and conditions as the Notes (including the benefit of the Subsidiary Guarantees) in all respects (or in all respects except for issue date, issue price, and the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions) so that such subsequently issued debt securities may be consolidated and form a single series with the previously outstanding Notes; *provided that* any Additional Notes must be treated as part of the same issue as the Notes for U.S. federal income tax purposes and *provided further* that in connection with the payment of PIK Interest, the Company is entitled to, without the consent of the Holders (and without regard to any restrictions or limitations set forth under the "Limitation on Indebtedness and Disqualified or Preferred Stock" covenant described below), issue PIK Notes under the Indenture on the same terms and conditions as all other issued Notes (except for issue date, issue price, and the first payment of interest on them and, to the extent necessary, certain temporary securities law transfer restrictions). All PIK Notes will be *pari passu* in right of payment with all other issued Notes, will be guaranteed on a *pari passu* basis by each Subsidiary Guarantor and will be secured equally and ratably with all other issued Notes by Liens on the Collateral held by the Security Trustee for as long as the Notes and the Subsidiary Guarantees are secured by the Collateral, subject to the covenants contained in the Indenture.

Optional Redemption

At any time and from time to time on or after the fourth anniversary date of the Original Issue Date, the Company may redeem the Notes, in whole or in part, at a redemption price equal to the percentage of the principal amount set forth below plus accrued and unpaid interest to the redemption date if redeemed during the twelve-month period beginning on the anniversary date of the Original Issue Date of the years indicated below:

<u>12- month period commencing in the year</u>	<u>Redemption Price</u>
2017	103.125%
2018	101.563%
2019 and thereafter	100.000%

At any time prior to the fourth anniversary date of the Original Issue Date, the Company may at its option redeem the Notes, in whole but not in part, at a redemption price equal to 100% of the principal amount of the Notes plus the Applicable Premium as of, and accrued and unpaid interest, if any, to the redemption date.

At any time prior to the third anniversary date of the Original Issue Date, the Company may redeem up to 35% of the principal amount of the Notes with the Net Cash Proceeds of one or more sales of its Common Stock in an Equity Offering at a redemption price of 106.25% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to the redemption date; *provided that* at least 65% of the aggregate principal amount of the Notes originally issued on the Original Issue Date remains outstanding after each such redemption and any such redemption takes place within 60 days after the closing of the related sale of Capital Stock.

The Company will give not less than 30 days' nor more than 60 days' notice of any redemption. If less than all of the Notes are to be redeemed, selection of the Notes for redemption will be made on a pro rata basis, or if the Notes are issued in global form, in accordance with applicable DTC procedures (subject, in all cases, to compliance with the rules of any national securities exchange on which the Notes may be listed).

However, no Note of US\$1,000 in principal amount or less shall be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note will state the portion of the principal amount to be redeemed. A new Note in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note.

- 10 -

Mandatory Redemption of Notes upon an Entire Sale Transaction

Within 10 days of the occurrence of an Entire Sale Transaction, the Company shall issue (by publication and mail) a notice to all Holders to redeem all of the Notes then outstanding (an "Entire Sale Transaction Mandatory Redemption") at a redemption price equal to 100% of their principal amount plus accrued and unpaid interest, if any, to the Payment Date (the "Entire Sale Transaction Redemption Price"). Such notice will give not less than thirty (30) days' nor more than sixty (60) days' notice of the Entire Sale Transaction Mandatory Redemption. All Notes that are so redeemed will be cancelled.

Pending the application of the proceeds from an Entire Sale Transaction to the Entire Sale Transaction Redemption Price, the Company shall invest such proceeds in a deposit account or securities account, which account shall be subject to a first priority Lien in favour of the Security Trustee, on behalf of the Trustee, and constitute additional Collateral for the benefit of the Holders, and which account shall not be subject to any other Lien whatsoever.

Repurchase of Notes Upon a Change of Control Triggering Event

The Company must commence, within 30 days of the occurrence of a Change of Control Triggering Event, and consummate an Offer to Purchase for all Notes then outstanding (a "Change of Control Offer"), at a purchase price equal to 101% of their principal amount plus accrued and unpaid interest, if any, to the Payment Date.

Except as described above with respect to a Change of Control Triggering Event or as described below with respect to an Entire Sale Transaction, the Indenture does not contain provisions that permit or require the Company to repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction. Holders may not be entitled to require the Company to purchase their Notes in certain circumstances involving a significant change in the composition of Board of Directors.

If a Change of Control Offer is made, there can be no assurance that the Company will have available funds sufficient to pay the purchase price for all the Notes that might be tendered by the Holders seeking to accept the Change of Control Offer. In the event that the Company purchases Notes pursuant to a Change of Control Offer, the Company expects that it would seek third party financing to the extent it does not have available funds to purchase the Notes. However, there can be no assurance that the Company would be able to obtain such financing.

In order to repurchase the Notes in an Offer to Purchase, the Company will, unless consents are obtained, be required to repay all Indebtedness then outstanding which by its terms would prohibit such Note repurchase, either prior to or concurrently with such Note repurchase.

Sinking Fund

There will be no sinking fund payments for the Notes.

Additional Amounts

All payments of, or in respect of, principal of, and premium (if any) and interest (including PIK Interest) in respect of the Notes (including PIK Notes) or the Subsidiary Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or within any jurisdiction in which the Company, a Surviving Person (as defined under the caption "—Consolidation, Merger and Sale of Assets") or the applicable Subsidiary Guarantor is organized or resident for tax purposes (or any political subdivision or taxing authority thereof or therein) (each a "Relevant Jurisdiction"), unless such withholding or deduction is required by law or by regulation or governmental policy having the force of law. In the event that any such withholding or deduction is so required, the Company, a Surviving Person or the applicable Subsidiary Guarantor, as the case may be, will pay such additional amounts ("Additional Amounts") as will result in receipt by the Holder of each Note or the Subsidiary Guarantees, as the case may be, of such amounts as would have been received by such Holder had no such withholding or deduction been required, except that no Additional Amounts shall be payable:

- 11 -

- (a) for or on account of:
 - (i) any tax, duty, assessment or other governmental charge that would not have been imposed but for:
 - (A) the existence of any present or former connection between the Holder of such Note and the Relevant Jurisdiction other than merely holding such Note, including such Holder being or having been a national, domiciliary or resident of or treated as a resident thereof or being or having been physically present or engaged in a trade or business therein or having or having had a permanent establishment therein;
 - (B) the presentation of such Note (in cases in which presentation is required) more than 30 days after the later of the date on which the payment of the principal of, premium, if any, and interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the Holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30 day period;
 - (C) the failure of the Holder, despite being required by law, to comply with a timely request of the Company addressed to the Holder or beneficial owner to provide information concerning such Holder's nationality, residence, identity or connection with any Relevant Jurisdiction, if and to the extent that due and timely compliance with such request would have reduced or eliminated any taxes as to which Additional Amounts would have otherwise been payable to such Holder; or
 - (D) the presentation of such Note (where presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere;
 - (ii) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;
 - (iii) any withholding or deduction that is imposed or levied on a payment to an individual and is required to be made pursuant to European Council Directive 2004/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directives; or
 - (iv) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding clauses (i), (ii) and (iii); or
- (b) with respect to any payment of the principal of, or any premium, if any, or interest on, such Note or any payment under any Subsidiary Guarantee to the Holder, if such Holder is a fiduciary, partnership or person other than the sole beneficial owner of any payment to the extent that such payment would be required to be included in the income under the laws of the Relevant Jurisdiction, for tax purposes, of a beneficiary or settlor, with respect to the fiduciary, or a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, partner, person or beneficial owner been the registered Holder thereof.

Whenever there is mentioned in any context the payment of principal, any premium or interest, in respect of any Note or Subsidiary Guarantee, such mention shall be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

- 12 -

Redemption for Taxation Reasons

The Notes may be redeemed, at the option of the Company or Surviving Person, as a whole but not in part, at any time, upon giving not less than 30 days nor more than 60 days notice to the Holders (which notice shall be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Company for redemption (the "Tax Redemption Date") if, as a result of:

- (1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Jurisdiction affecting taxation; or
- (2) any change in the existing official position or the stating of an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment, or order by a court of competent jurisdiction),

which change, amendment, application or interpretation (a) in the case of the Company, Surviving Person and any initial Subsidiary Guarantor becomes effective on or after the Original Issue Date and (b) in the case of any successor to a Subsidiary Guarantor or a future Subsidiary Guarantor becomes effective after such Subsidiary Guarantor assumes the obligations under the Indenture or becomes a Subsidiary Guarantor, with respect to any payment due or to become due under the Notes or the Indenture, the Company, Surviving Person or a Subsidiary Guarantor, as the case may be, is, or on the next interest payment date would be, required to withhold or deduct any tax, duty, assessment or other governmental charge imposed, levied, collected, withheld or assessed by a Relevant Jurisdiction and to pay Additional Amounts, and in each case, such requirement to withhold or deduct cannot be avoided by the taking of reasonable measures by the Company, Surviving Person or a Subsidiary Guarantor; provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Company, Surviving Person or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes was then due.

Prior to the publication and mailing of any notice of redemption of the Notes pursuant to the foregoing, the Company or Surviving Person will deliver to the Trustee (a) a certificate signed by a duly authorized officer stating that the Company or Surviving Person is entitled to effect the redemption under the Indenture and stating that the conditions precedent to the right of redemption have occurred and (b) an Opinion of Counsel or tax consultant of recognized standing stating that the circumstances referred to in the prior paragraph exist. The Trustee shall accept such Opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it shall be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Certain Covenants

Set forth below are summaries of certain covenants contained in the Indenture.

Limitation on Indebtedness and Disqualified or Preferred Stock

- (a) The Company will not Incur any Indebtedness or Disqualified Stock, provided that the Company may Incur Indebtedness if, after giving effect to the Incurrence of such Indebtedness and the receipt and application of the proceeds therefrom, the Fixed Charge Coverage Ratio would be not less than 2.0 to 1.0. The Company will not permit any Restricted Subsidiary to Incur any Indebtedness (including Acquired Indebtedness), Disqualified Stock or Preferred Stock (other than Disqualified Stock or Preferred Stock of Restricted Subsidiaries held by the Company or a Subsidiary Guarantor, so long as it is so held).

Notwithstanding the foregoing, the Company and, to the extent provided below, any Restricted Subsidiary may Incur each and all of the following ("Permitted Indebtedness"):

- (1) Indebtedness under the Notes (including any PIK Notes and any Additional Notes), and each Subsidiary Guarantee;

- 13 -

- (2) Any Permitted Priority Secured Indebtedness and any Permitted Priority Subsidiary Guarantees;
- (3) Indebtedness of the Company or any Restricted Subsidiary outstanding on the Original Issue Date excluding Indebtedness permitted under clause (4);

- (3) the redemption, repurchase or other acquisition of Capital Stock of the Company or any Subsidiary Guarantor (or options, warrants or other rights to acquire such Capital Stock) in exchange for, or out of the Net Cash Proceeds of a capital contribution or a substantially concurrent sale (other than to a Restricted Subsidiary of the Company) of, shares of Capital Stock (other than Disqualified Stock) of the Company or any Subsidiary Guarantor (or options, warrants or other rights to acquire such Capital Stock); *provided that* the amount of any such Net Cash Proceeds that are utilized for any such Restricted Payment will be excluded from clause (c)(2) of the preceding paragraph;
- (4) the redemption, repurchase, defeasance or other acquisition or retirement for value of Indebtedness of the Company or any of the Subsidiary Guarantors that is subordinated in right of payment to the Notes or to any Subsidiary Guarantee in exchange for, or out of the Net Cash Proceeds of, a substantially concurrent offering of, shares of the Capital Stock (other than Disqualified Stock) of the Company or any of the Subsidiary Guarantors (or options, warrants or other rights to acquire such Capital Stock); *provided that* the amount of any such Net Cash Proceeds that are utilized for any such Restricted Payment will be excluded from clause (c)(2) of the preceding paragraph;

provided that, no Default shall have occurred and be continuing or would occur as a consequence of the actions or payments set forth therein.

Each Restricted Payment permitted pursuant to clauses (1), (5), (7), (8), and (9) of the preceding paragraph shall be included in calculating whether the conditions of clause (c) of the first paragraph of this "Limitation on Restricted Payments" covenant have been met with respect to any subsequent Restricted Payments.

The amount of any Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or the Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The value of any assets or securities that are required to be valued by this covenant will be the Fair Market Value.

- 17 -

The Board of Directors' determination of the Fair Market Value of a Restricted Payment or any such assets or securities must be based upon an opinion or appraisal issued by an appraisal or investment banking firm of international standing if the Fair Market Value exceeds US\$5.0 million (or the Dollar Equivalent thereof).

Not later than the date of making any Restricted Payment in an amount in excess of US\$5.0 million (or the Dollar Equivalent thereof), the Company will deliver to the Trustee an Officer's Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this covenant under the caption "—Limitation on Restricted Payments" were computed, together with a copy of any fairness opinion or appraisal required by the Indenture.

Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

The Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or suffer to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary to (1) pay dividends or make any other distributions on any Capital Stock of such Restricted Subsidiary owned by the Company or any other Restricted Subsidiary, (2) pay any Indebtedness owed to the Company or any other Restricted Subsidiary, (3) make loans or advances to the Company or any other Restricted Subsidiary or (4) sell, lease or transfer any of its property or assets to the Company or any other Restricted Subsidiary.

- (2) existing under or by reason of applicable law;
- (3) existing with respect to any Person or the property or assets of such Person acquired by the Company or any Restricted Subsidiary, existing at the time of such acquisition and not incurred in contemplation thereof, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Person or the property or assets of such Person so acquired, and any extensions, refinancings, renewals or replacements thereof; *provided that* the encumbrances and restrictions in any such extension, refinancing, renewal or replacement, taken as a whole, are no less favorable in any material respect to the Holders than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed or replaced;

- (5) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, such Restricted Subsidiary that is permitted by the "—Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries," "—

Limitation on Indebtedness and Disqualified or Preferred Stock" and "—Limitation on Asset Sales" covenants.

Limitation on Sales and Issuances of Capital Stock in Restricted Subsidiaries

The Company will not sell, and will not permit any Restricted Subsidiary, directly or indirectly, to issue or sell any shares of Capital Stock of a Restricted Subsidiary (including options, warrants or other rights to purchase shares of such Capital Stock) except:

Limitation on Issuances of Guarantees by Restricted Subsidiaries

The Company will not permit any Restricted Subsidiary which is not a Subsidiary Guarantor, directly or indirectly, to Guarantee any Indebtedness ("Guaranteed Indebtedness") of the Company or any other Restricted Subsidiary, unless (1) (a) such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture to the Indenture providing for an unsubordinated Subsidiary Guarantee of payment of the Notes by such Restricted Subsidiary and (b) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Subsidiary Guarantee until the Notes have been paid in full or (2) such Guarantee and such Guaranteed Indebtedness are permitted by clauses (a) (2), (3), (4) or (8)(ii) (other than, in the case of clause (8)(ii), a Guarantee by a Restricted Subsidiary organized under the laws of the PRC of the Indebtedness of a non-PRC Restricted Subsidiary) under the caption "—Limitation on Indebtedness and Disqualified or Preferred Stock."

If the Guaranteed Indebtedness (A) ranks *pari passu* in right of payment with the Notes or any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall rank *pari passu* in right of payment with, or subordinated to, the Subsidiary Guarantee or (B) is subordinated in right of payment to the Notes or any Subsidiary Guarantee, then the Guarantee of such Guaranteed Indebtedness shall be subordinated in right of payment to the Subsidiary Guarantee at least to the extent that the Guaranteed Indebtedness is subordinated to the Notes or the Subsidiary Guarantee.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, enter into, renew or extend any transaction or arrangement (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with (x) any holder (or any Affiliate of such holder) of 5% or more of any class of Capital Stock of the Company or (y) with any Affiliate of the Company or any Restricted Subsidiary (each an "Affiliate Transaction"), unless:

- (1) the Affiliate Transaction is on fair and reasonable terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or the relevant Restricted Subsidiary with an unrelated Person; and

- 19 -

- (2) the Company delivers to the Trustee:
 - (a) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$5.0 million (or the Dollar Equivalent thereof), a Board Resolution set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this covenant and such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors; and
 - (b) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$10.0 million (or the Dollar Equivalent thereof), an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an Independent Financial Advisor.

The foregoing limitation does not limit, and shall not apply to:

- (1) the payment of reasonable and customary regular fees to directors of the Company who are not employees of the Company;
- (2) transactions between or among the Company and any of its Wholly-Owned Restricted Subsidiaries or between or among Wholly-Owned Restricted Subsidiaries;
- (3) issuances or sales of Capital Stock (other than Disqualified Stock) of the Company or options, warrants or other rights to acquire such Capital Stock;
- (4) transactions or payments pursuant to any employee, officer or director compensation or benefit plans or similar arrangements entered into in the ordinary course approved by a majority of the Board of Directors of the Company in good faith; and
- (5) any Restricted Payment of the type described in clauses (1),(2), or (3) of the first paragraph of the covenant described above under the caption "—Limitation on Restricted Payments" if permitted by that covenant.

In addition, the requirements of clause (2) of the first paragraph of this covenant shall not apply to (i) transactions between or among the Company and any of its Restricted Subsidiaries that is not a Wholly-Owned Restricted Subsidiary to the extent entered into in the ordinary course of business, (ii) Investments (other than Permitted Investments) not prohibited by the "—Limitation on Restricted Payments" covenant, (iii) transactions pursuant to agreements in effect on the Original Issue Date and described in this Plan Supplement or in the Information Circular of Sino Forest Corporation dated October 20, 2012, or any amendment or modification or replacement thereof, so long as such amendment, modification or replacement is not more disadvantageous to the Company and its Restricted Subsidiaries than the original agreement in effect on the Original Issue Date; *provided that*, in the case of (iii) such transaction is entered into in the ordinary course of business.

Limitation on Liens

The Company will not, and will not permit any of its Restricted Subsidiaries to, create, incur, assume or suffer to exist any Lien on the Collateral (other than Permitted Liens).

The Company will not, and will not permit any of its Restricted Subsidiaries to, create, incur, assume or suffer to exist any Lien on any of its assets or properties of any kind (other than the Collateral), now owned or hereafter acquired, except Permitted Liens, unless the Notes are equally and ratably secured by such Lien.

- 20 -

Limitation on Sale-Leaseback Transactions

The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale and Leaseback Transaction.

Limitation on Entire Sale Transaction and on Asset Sales

The Company will not, and will not permit any Restricted Subsidiary to, enter into or consummate an Entire Sale Transaction unless, as a condition thereof, the consideration received consists of net cash proceeds to the Company of not less than an amount sufficient to pay the Entire Sale Transaction Redemption Price in full and without restriction.

The Company will not, and will not permit any Restricted Subsidiary to, consummate any Asset Sale, unless:

- (1) no Default shall have occurred and be continuing or would occur as a result of such Asset Sale;
- (2) the consideration received by the Company or such Restricted Subsidiary, as the case may be, is at least equal to the Fair Market Value of the assets sold or disposed of;
- (3) in the case of an Asset Sale that constitutes an Asset Disposition, the Company could Incur at least US\$1.00 of Indebtedness under the proviso in the first paragraph of part (a) of the covenant under the caption "—Limitation on Indebtedness and Disqualified or Preferred Stock" after giving *pro forma* effect to such Asset Disposition; and
- (4) at least 75% of the consideration received consists of cash, Temporary Cash Investments or Replacement Assets; *provided that* in case of an Asset Sale in which the Company or such Restricted Subsidiary receives Replacement Assets (i) the Company delivers to the Trustee an Officer's Certificate stating that (a) the Company's chief executive officer or chief financial officer has approved such Asset Sale, (b) such Asset Sale is on fair and reasonable terms on an arm's length basis, and (c) the Fair Market Value of the Replacement Assets, together with any cash consideration is no less than the Fair Market Value of the assets subject to such Asset Sale, and (ii) with respect to any such Asset Sale involving an aggregate consideration with a Fair Market Value in excess of US\$25.0 million (or the Dollar Equivalent thereof), the Company shall deliver to the Trustee an opinion as to the fairness to the Company or such Restricted Subsidiary of such Asset Sale from a financial point of view issued by an Independent Financial Advisor. For purposes of this provision, each of the following will be deemed to be cash:
 - (a) any liabilities, as shown on the Company's most recent consolidated balance sheet prepared in accordance with IFRS, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Subsidiary Guarantee) that are actually assumed by the transferee of any such assets pursuant to a customary, assumption, assignment, novation or similar agreement that fully and unconditionally releases the Company or such Restricted Subsidiary from further liability; and
 - (b) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from such transferee that are contemporaneously, subject to ordinary settlement periods, converted by the Company or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion.

Within 360 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Cash Proceeds to:

- 21 -

- (1) permanently repay Senior Indebtedness of the Company or any Restricted Subsidiary (and, if such Senior Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) in each case owing to a Person other than the Company or a Restricted Subsidiary; or
- (2) make an Investment in Replacement Assets, provided that such Investment occurs within 360 days following the receipt of such Net Cash Proceeds.

Pending the final application of any Net Cash Proceeds from an Asset Sale in excess of \$10 million, the Company shall invest such Net Cash Proceeds in a deposit account or securities account, which account(s) shall (except if prohibited by applicable laws) be subject to a first priority Lien in favour of the Security Trustee and constitute additional Collateral for the benefit of the Holders or the other Secured Parties, and which account(s) shall not be subject to any other Lien whatsoever.

Any Net Cash Proceeds from Asset Sales that are not applied or invested as provided in the second paragraph of this covenant will constitute "Excess Proceeds." Excess Proceeds of less than US\$5 million (or the Dollar Equivalent thereof) will be carried forward and accumulated. When the aggregate amount of Excess Proceeds exceeds US\$10 million (or the Dollar Equivalent thereof), within 10 days thereof, the Company must make an Offer to Purchase to all Holders (and, with respect to indebtedness of the Company, that ranks equally with or senior to, the Notes, containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets, to the holders of such Indebtedness, including any Permitted Priority Secured Indebtedness) to purchase the maximum principal amount of Notes (and any such other *pari passu* Indebtedness) that may be purchased out of the Excess Proceeds. The offer price in any Offer to Purchase will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash.

Notwithstanding the foregoing, the Company will not, and will not permit any Restricted Subsidiary to sell, transfer or otherwise dispose of any shares of Capital Stock of Sino-Forest (China) Investments Limited or of any Restricted Subsidiary that owns directly or indirectly any shares of Capital Stock of Sino-Forest (China) Investments Limited.

If any Excess Proceeds remain after consummation of an Offer to Purchase, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes (and any other *pari passu* or senior Indebtedness) tendered in such Offer to Purchase exceeds the amount of Excess Proceeds, the Trustee will select the Notes (and such other *pari passu* or senior Indebtedness) to be purchased on a pro rata basis or in accordance with applicable DTC procedures. Upon completion of each Offer to Purchase, the amount of Excess Proceeds will be reset at zero.

Limitation on the Company's Business Activities

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, engage in any business other than Permitted Businesses; *provided*, however, that the Company or any Restricted Subsidiary may own Capital Stock of an Unrestricted Subsidiary or joint venture or other entity that is engaged in a business other than Permitted Businesses as long as any Investment therein was not prohibited when made by the covenant under the caption "—Limitation on Restricted Payments."

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors may designate any Restricted Subsidiary to be an Unrestricted Subsidiary, unless a Subsidiary of such Restricted Subsidiary is a Restricted Subsidiary (and is not concurrently being designated as an Unrestricted Subsidiary); *provided that* (i) Sino-Forest (China) Investments Limited shall always be a Restricted Subsidiary, (ii) such designation would not cause a Default, (iii) a Restricted Subsidiary cannot be a Subsidiary of an Unrestricted Subsidiary and (iv) the Investment deemed to have been made thereby in such newly-designated Unrestricted Subsidiary would be permitted to be made by the covenant described under "—Limitation on Restricted Payments."

- 22 -

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided that* (i) such designation shall not cause a Default, (ii) any Indebtedness of such Unrestricted Subsidiary outstanding at the time of such designation which will be deemed to have been Incurred by such newly-designated Restricted Subsidiary as a result of such designation would be permitted to be Incurred by the covenant described under the caption "—Limitation on Indebtedness and Disqualified or Preferred Stock;" (iii) any Lien on the property of such Unrestricted Subsidiary at the time of such designation which will be deemed to have been incurred by such newly-designated Restricted Subsidiary as a result of such designation would be permitted to be incurred by the covenant described under the caption "—Limitation on Liens;" (iv) such Unrestricted Subsidiary is not a Subsidiary of another Unrestricted Subsidiary (that is not concurrently being designated as a Restricted Subsidiary), (v) if such Restricted Subsidiary is not organized under the laws of the PRC and is not a Foreign Subsidiary, such Restricted Subsidiary shall upon such designation execute and deliver to the Trustee a supplemental indenture by which such Restricted Subsidiary shall become a Subsidiary Guarantor, and (vi) if such Restricted Subsidiary is not organized under the laws of the PRC or any other jurisdiction that prohibits the Capital Stock of such Restricted Subsidiary from being pledged to secure the obligations of the Company or a Subsidiary Guarantor, all Capital Stock of such Restricted Subsidiary owned by the Company or any other Restricted Subsidiary shall be pledged, mortgaged or charged as required under "—Security."

Government Approvals and Licenses; Compliance with Law

The Company will, and will cause each Restricted Subsidiary to, (i) obtain and maintain in full force and effect all governmental approvals, authorizations, consents, permits, concessions and licenses as are necessary to engage in the Permitted Businesses, (ii) preserve and maintain good and valid title to its properties and assets (including land use rights) free and clear of any Liens other than Permitted Liens and (iii) comply with all laws, regulations, orders, judgments and decrees of any governmental body, except to the extent that failure to so obtain, maintain, preserve and comply would not reasonably be expected to have a material adverse effect on (A) the business, results of operations or prospects of the Company and its Restricted Subsidiaries taken as a whole or (B) the ability of the Company or any Subsidiary Guarantor to perform its obligations under the Notes, the relevant Subsidiary Guarantee or the Indenture.

Provision of Financial Statements and Reports

The Company will file with the Trustee and provide the holders of the Notes with copies of all financial statements or reports that are distributed by the Company to its members from time to time.

As of the Original Issue Date, the Memorandum and Articles of Association of the Company will provide that the Board of Directors will cause to be delivered to each member: (i) as soon as available, but not later than 180 days after the end of each financial year of the Company, a copy of the consolidated balance sheet of the Company as of the end of such financial year and the related consolidated statements of income, changes in equity and cash flows for such financial year, setting forth in each case in comparative form the figures for the previous year, all in reasonable detail and accompanied by a management summary and analysis of the operations for the Company for such financial year; and (ii) as soon as available, but not later than 90 days after the end of each financial half-year of the Company, a copy of the consolidated balance sheet of the Company as of the end of such financial half-year and the related consolidated statements of income, changes in equity and cash flows for such financial half-year, and accompanied by a management summary and analysis of the operations for the Company for such financial half-year. In the event that this provision of the Memorandum and Articles of Association of the Company is amended after the Original Issue Date, the Company shall provide notice of such amendment to the Trustee as soon as practicable following the enactment of such amendment.

Delivery of such reports and information to the Trustee is for informational purposes only and the Trustee's receipt of them will not constitute constructive notice of any information contained therein or determinable from information contained therein (including the Company's compliance with any of its covenants under the Indenture as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

Events of Default

The following events will be defined as "Events of Default" in the Indenture:

- (a) default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;
- (b) default in the payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 days;
- (c) default in the performance or breach of the provisions of the covenants described under "—Consolidation, Merger and Sale of Assets," "—Limitation on Indebtedness and Disqualified or Preferred Stock," "—Limitation on Restricted Payments," "—Limitation on Liens," the failure by the Company to make or consummate an Offer to Purchase in the manner described under the captions "—Repurchase of Notes upon a Change of Control Triggering Event" or "—Limitation on Asset Sales", the failure by the Company to redeem the Notes in the manner described under the caption "—Mandatory Redemption of Notes upon an Entire Sale Transaction" or the failure by the Company to create, or cause its Restricted Subsidiaries to create a First Priority Lien on the Collateral (subject to any Permitted Liens) in accordance or otherwise comply with the covenant described under the caption "—Security;"
- (d) the Company or any Restricted Subsidiary defaults in the performance of or breaches any other covenant or agreement in the Indenture or under the Notes (other than a default specified in clause (a), (b) or (c) above) and such default or breach continues for a period of 30 consecutive days after written notice by the Trustee or the Holders of 25% or more in aggregate principal amount of the Notes;
- (e) there occurs with respect to any Indebtedness of the Company or any Restricted Subsidiary having an outstanding principal amount of US\$50.0 million (or the Dollar Equivalent thereof) or more in the aggregate for all such Indebtedness of all such Persons, whether such Indebtedness now exists or shall hereafter be created, (A) an event of default that has caused the holder thereof to declare such Indebtedness to be due and payable prior to its Stated Maturity and/or (B) the failure to make a principal payment when due;
- (f) any final judgment or order for the payment of money in excess of US\$50.0 million (or the Dollar Equivalent thereof) in the aggregate for all such final judgments or orders shall be rendered against the Company or any Restricted Subsidiary and shall not be paid or discharged for a period of 60 days during which a stay of enforcement of such final judgment or order shall not be in effect;
- (g) a court having jurisdiction in the premises enters a decree or order for (A) relief in respect of the Company or any Restricted Subsidiary in an involuntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect (including any proceeding under any corporate law seeking an arrangement of, or stay of proceedings to enforce, some or all of its debts), (B) appointment of a receiver, liquidator, assignee, custodian, monitor, trustee, sequestrator or similar official of the Company or any Restricted Subsidiary or for all or substantially all of the property and assets of the Company or any Restricted Subsidiary or (C) the winding up or liquidation of the affairs of the Company or any Restricted Subsidiary and, in each case, such

- 24 -

decree or order shall remain unstayed and in effect for a period of 60 consecutive days;

- (h) the Company or any Restricted Subsidiary (A) commences a voluntary case or proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect (including any proceeding under any corporate law seeking an arrangement of, or stay of proceedings to enforce, some or all of its debts), or consents to the entry of an order for relief in an involuntary case or proceeding under any such law, (B) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, monitor, trustee, sequestrator or similar official of the Company or any Restricted Subsidiary or for all or substantially all of the property and assets of the Company or any Restricted Subsidiary or (C) effects any general assignment for the benefit of creditors;
- (i) any Subsidiary Guarantor repudiates its obligations under its Subsidiary Guarantee or, except as permitted by the Indenture, any Subsidiary Guarantee is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect;
- (j) any default by the Company or any Subsidiary Guarantor Pledgor in the performance of any of its obligations under the Security Documents or the Indenture, which adversely affects the enforceability, validity, perfection or priority of the applicable Lien on the Collateral or which adversely affects the condition or value of the Collateral, taken as a whole, in any material respect; or
- (k) the Company or any Subsidiary Guarantor Pledgor repudiates its obligations under any Security Document or, other than in accordance with the Indenture and the Security Documents, any Security Document ceases to be or is not in full force and effect or the Trustee ceases to have a first priority Lien in the Collateral (subject to any Permitted Liens).

If an Event of Default (other than an Event of Default specified in clause (g) or (h) above) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes, then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. In the event of a declaration of acceleration because an Event of Default set forth in clause (e) above has occurred and is continuing, such declaration of acceleration shall be automatically rescinded and annulled if the event of default triggering such Event of Default pursuant to clause (e) shall be remedied or cured by the Company or the relevant Restricted Subsidiary or waived by the holders of the relevant Indebtedness within 60 days after the declaration of acceleration with respect thereto. If an Event of Default specified in clause (g) or (h) above occurs with respect to the Company or any Restricted Subsidiary, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee, may waive all past defaults and rescind and annul a declaration of acceleration and its consequences if (x) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived, (y) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction, and (z) the Company has paid to the Trustee all fees, expenses and amounts owed to the Trustee in connection with such Event of Default. For information as to the waiver of defaults, see "—Amendments and Waiver."

If an Event of Default occurs and is continuing, the Trustee may, and shall upon request of Holders of at least 25% in aggregate principal amount of outstanding Notes, instruct the Security Trustee to foreclose on the

- 25 -

Collateral in accordance with the terms of the Security Documents and take such further action on behalf of the Holders of the Notes with respect to the Collateral as the Trustee is instructed by such Holders. See "—Security."

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders. A Holder may not pursue any remedy with respect to the Indenture or the Notes unless:

- (1) the Holder gives the Trustee written notice of a continuing Event of Default;
- (2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer the Trustee indemnity reasonably satisfactory to the Trustee against any costs, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

However, such limitations do not apply to the right of any Holder to receive payment of the principal of, premium, if any, or interest on, such Note or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder.

Officers of the Company, one of whom must be the Company's principal executive officer, principal financial officer or principal accounting officer, must certify in an Officer's Certificate, on or before a date not more than 120 days after the end of each fiscal year, that a review has been conducted of the activities of the Company and its Restricted Subsidiaries and the Company's and its Restricted Subsidiaries' performance under the Indenture and that the Company has fulfilled all obligations thereunder, or, if there has been a default in the fulfillment of any such obligations, specifying each such default and the nature and status thereof. The Company will also be obligated to notify the Trustee of any default or defaults in the performance of any covenants or agreements under the Indenture.

Consolidation, Merger and Sale of Assets

The Company will not consolidate with, merge with or into another Person, permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its and its Restricted Subsidiaries' properties and assets (computed on a consolidated basis) (as an entirety or substantially an entirety in one transaction or a series of related transactions), unless:

- (1) the Company shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger or that acquired or leased such property and assets (the "Surviving Person") shall be an exempted company limited by shares organized and validly existing under the laws of the Cayman Islands and shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all the obligations of the Company under the Indenture, the Notes and the Security Documents, as the case may be, and the Indenture, the Notes and the Security Documents, as the case may be, shall remain in full force and effect;
- (2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;

- 26 -

- (3) immediately after giving effect to such transaction on a *pro forma* basis, the Company or the Surviving Person, as the case may be, shall have a Consolidated Net Worth equal to or greater than the Consolidated Net Worth of the Company immediately prior to such transaction;
- (4) immediately after giving effect to such transaction on a *pro forma* basis the Company or the Surviving Person, as the case may be, could Incur at least US\$1.00 of Indebtedness under the first paragraph of the covenant under the caption "—Limitation on Indebtedness and Disqualified or Preferred Stock;"
- (5) the Company delivers to the Trustee (x) an Officer's Certificate (attaching the arithmetic computations to demonstrate compliance with clauses (3) and (4)) and (y) an Opinion of Counsel, in each case stating that such consolidation, merger or transfer and such supplemental indenture complies with this provision and that all conditions precedent provided for herein relating to such transaction have been complied with; and
- (6) each Subsidiary Guarantor, unless such Subsidiary Guarantor is the Person with which the Company has entered into a transaction described under the caption "—Consolidation, Merger and Sale of Assets," shall execute and deliver a supplemental indenture confirming that its Subsidiary Guarantee shall apply to the obligations of the Company or the Surviving Person in accordance with the Notes and the Indenture.

No Subsidiary Guarantor will consolidate with, merge with or into another Person, permit any Person to merge with or into it, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its and its Restricted Subsidiaries' properties and assets (computed on a consolidated basis) (as an entirety or substantially an entirety in one transaction or a series of related transactions) to another Person (other than the Company or another Subsidiary Guarantor), unless:

- (1) such Subsidiary Guarantor shall be the continuing Person, or the Person (if other than it) formed by such consolidation or merger or that acquired or leased such property and assets shall be the Company, another Subsidiary Guarantor or shall become a Subsidiary Guarantor concurrently with the transaction;
- (2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing;
- (3) immediately after giving effect to such transaction on a *pro forma* basis, the Company shall have a Consolidated Net Worth equal to or greater than the Consolidated Net Worth of the Company immediately prior to such transaction;
- (4) immediately after giving effect to such transaction on a *pro forma* basis, the Company could Incur at least US\$1.00 of Indebtedness under the first paragraph of the covenant under the caption "—Limitation on Indebtedness and Disqualified or Preferred Stock"; and
- (5) the Company delivers to the Trustee (x) an Officer's Certificate (attaching the arithmetic computations to demonstrate compliance with clauses (3) and (4)) and (y) Opinion of Counsel, in each case stating that such consolidation, merger or transfer and such supplemental indenture complies with this provision and that all conditions precedent provided for herein relating to such transaction have been complied with;

provided that this paragraph shall not apply to any Entire Sale Transaction, which transaction shall be subject to and governed by the provisions that require the Company to redeem all of the Notes in the manner described under the caption "-Mandatory Redemption of Notes upon an Entire Sale Transaction", and shall not otherwise apply to any other sale or other disposition that complies with the "Limitation on Asset Sales" covenant or any Subsidiary Guarantor whose Subsidiary Guarantee is unconditionally released in accordance with the provisions described under "—Release of the Subsidiary Guarantees."

- 27 -

The foregoing provisions would not necessarily afford holders of the Notes protection in the event of highly leveraged or other transactions involving the Company that may adversely affect holders of the Notes.

No Payments for Consents

The Company will not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder of any Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the Indentures or the Notes unless such consideration is offered to be paid or is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Defeasance

Defeasance and Discharge

The Indenture will provide that the Company will be deemed to have paid and will be discharged from any and all obligations in respect of the Notes on the 365th day after the deposit referred to below, and the provisions of the Indenture and the Security Documents will no longer be in effect with respect to the Notes (except for, among other matters, certain obligations to register the transfer or exchange of the Notes, to replace stolen, lost or mutilated Notes, to maintain paying agencies and to hold monies for payment in trust, and certain obligations owed to the Trustee and the Security Trustee) if, among other things:

- (a) the Company has deposited with the Trustee, in trust, money and/or U.S. Government Obligations that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient (in the case of U.S. Government Obligations, in the opinion of a reputable firm of certified accountants) to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes,
- (b) the Company has delivered to the Trustee (1) either (x) an Opinion of Counsel to the effect that, as a result of a change occurring after the Original Issue Date in applicable U.S. federal income tax law, Holders will not recognize income, gain or loss for United States federal income tax purposes as a result of the Company's exercise of its option under this "Defeasance" provision and will be subject to United States federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred or (y) a ruling directed to the Trustee received from the U.S. Internal Revenue Service to the same effect as the aforementioned Opinion of Counsel and (2) an Opinion of Counsel to the effect that the creation of the defeasance trust does not violate the U.S. Investment Company Act of 1940, as amended, and after the passage of 365 days following the deposit, the trust fund will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law, and
- (c) immediately after giving effect to such deposit on a *pro forma* basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 365th day after the date of such deposit, and such defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Company or any of its Restricted Subsidiaries is a party or by which the Company or any of its Restricted Subsidiaries is bound.

In the case of either discharge or defeasance of the Notes, the Subsidiary Guarantees will terminate.

Defeasance of Certain Covenants

The Indenture further will provide that the provisions of the Indenture will no longer be in effect with respect to clauses (3), (4) and (5)(x) under the first paragraph and clauses (3), (4) and (5)(x) under the second

- 28 -

paragraph under "Consolidation, Merger and Sale of Assets" and all the covenants described herein under "Covenants," clause (c) under "Events of Default" with respect to such clauses (3), (4) and (5)(x) under the first paragraph and clauses (3), (4) and (5)(x) under the second paragraph under "Consolidation, Merger and Sale of Assets," clause (d) under "Events of Default" with respect to such other covenants and clauses (e), (f), (i), (j) and (k) under "Events of Default" shall be deemed not to be Events of Default upon, among other things, the deposit with the Trustee, in trust, of money and/or U.S. Government Obligations that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of the Indenture and the Notes, the satisfaction of the provisions described in clause (b)(2) of the preceding paragraph and the delivery by the Company to the Trustee of an Opinion of Counsel to the effect that, among other things, the Holders will not recognize income, gain or loss for United States federal income tax purposes as a result of such deposit and defeasance of certain covenants and Events of Default and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred.

As a condition to the Company exercising its right to discharge or defease the Notes or to defease the covenants as provided in the immediately preceding paragraphs, the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to such discharge and/or defeasance have been complied with.

Defeasance and Certain Other Events of Default

In the event the Company exercises its option to omit compliance with certain covenants and provisions of the Indenture with respect to the Notes as described in the immediately preceding paragraph and the Notes are declared due and payable because of the occurrence of an Event of Default that remains applicable, the amount of money and/or U.S. Government Obligations on deposit with the Trustee will be sufficient to pay amounts due on the Notes at the time of their Stated Maturity but may not be sufficient to pay amounts due on the Notes at the time of the acceleration resulting from such Event of Default. However, the Company will remain liable for such payments.

Amendments and Waiver

Amendments Without Consent of Holders

The Indenture or any Security Document may be amended, without the consent of any Holder, to:

- (1) cure any ambiguity, defect or inconsistency in the Indenture, the Notes or any Security Document;
- (2) comply with the provisions described under "Consolidation, Merger and Sale of Assets;"
- (3) evidence and provide for the acceptance of appointment by a successor Trustee;
- (4) add any Subsidiary Guarantor or any Subsidiary Guarantee or release any Subsidiary Guarantor from any Subsidiary Guarantee as provided or permitted by the terms of the Indenture;
- (5) provide for the issuance of Additional Notes (including PIK Notes) in accordance with the limitations set forth in the Indenture;
- (6) add any Subsidiary Guarantor Pledgor or release any Subsidiary Guarantor Pledgor as provided or permitted by the terms of the Indenture;
- (7) add additional Collateral to secure the Notes or any Subsidiary Guarantee;
- (8) effect any change to the Indenture in a manner necessary to comply with the procedures of DTC;

- 29 -

- (9) permit Permitted Priority Secured Indebtedness (including, without limitation, permitting the Trustee to enter into any amendments to the Security Documents or the Indenture and take any other action necessary to permit the creation and registration of Liens on the Collateral to secure Permitted Priority Secured Indebtedness, in accordance with the Indenture); or
- (10) make any other change that would provide additional rights or benefits to the Holders or that does not adversely affect the rights of any Holder.

Amendments with Consent of Holders

Amendments of the Indenture or any Security Document may be made by the Company, the Subsidiary Guarantors and the Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes; provided, however,

- (a) that no such modification or amendment may, without the consent of each Holder affected thereby:
 - (1) change the Stated Maturity of the principal of, or any installment of interest on, any Note;
 - (2) reduce the principal amount of, or premium, if any, or interest on, any Note;
 - (3) change the currency of payment of principal of, or premium, if any, or interest on, any Note;
 - (4) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of a redemption, on or after the redemption date) of any Note;
 - (5) reduce (i) the above stated percentage of outstanding Notes, or (ii) the stated percentage of outstanding Notes referred to in clause (b) below, the consent of whose Holders is necessary to modify or amend the Indenture;
 - (6) waive a default in the payment of principal of, premium, if any, or interest on the Notes;
 - (7) reduce the percentage or aggregate principal amount of outstanding Notes the consent of whose Holders is necessary for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults; or
 - (8) amend, change or modify any provision of the Indenture or the related definition affecting the ranking of the Notes or any Subsidiary Guarantee in a manner which adversely affects the Holders, and
- (b) that no such modification or amendment may, without the consent of the Holders of not less than 80% in aggregate principal amount of the outstanding Notes affected thereby:
 - (1) release any Subsidiary Guarantor from its Subsidiary Guarantee, except as provided in the Indenture;
 - (2) release any Collateral, except as provided in the Indenture and the Security Documents;
 - (3) amend, change or modify any Subsidiary Guarantee in a manner that adversely affects the Holders;
 - (4) amend, change or modify any provision of any Security Document, or any provision of the Indenture relating to the Collateral, in a manner that adversely affects the Holders, except in accordance with the other provisions of the Indenture;

- 30 -

- (5) change the redemption date or the redemption price of the Notes from that stated under the captions "Optional Redemption" or "Redemption for Taxation Reasons;" or
- (6) amend, change or modify the obligation of the Company or any Subsidiary Guarantor to pay Additional Amounts.

Unclaimed Money

Claims against the Company for the payment of principal of, premium, if any, or interest, on the Notes will become void unless presentation for payment is made as required in the Indenture within a period of six years.

No Personal Liability of Incorporators, Stockholders, Members, Officers, Directors or Employees

No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company or any of the Subsidiary Guarantors in the Indenture, or in any of the Notes or the Subsidiary Guarantees or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator, stockholder, member, officer, director, employee or controlling person of the Company or of any of the Subsidiary Guarantors or of any successor Person thereof. Each Holder, by accepting the Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Subsidiary Guarantees. Such waiver may not be effective to waive liabilities under the federal securities laws.

Concerning the Trustee and the Paying Agent

Computershare Trust Company, N.A. is to be appointed as Trustee under the Indenture and Computershare Trust Company, N.A. is to be appointed as registrar and paying agent (the "Paying Agent") with regard to the Notes. Except during the continuance of a Default, the Trustee will not be liable, except for the performance of such duties as are specifically set forth in the Indenture. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under the Indenture as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

The Indenture contains limitations on the rights of the Trustee, should it become a creditor of the Company or any of the Subsidiary Guarantors, to obtain payment of claims in certain cases or to realize on certain property received by it in respect of any such claims, as security or otherwise. The Trustee is permitted to engage in other transactions; provided, however, that if it acquires any conflicting interest, it must eliminate such conflict or resign.

Computershare Trust Company, N.A. will initially act as Security Trustee under the Security Documents in respect of the Security over the Collateral. The Security Trustee, acting in its capacity as such, shall have such duties with respect to the Collateral pledged, mortgaged or charged pursuant to the Security Documents as are set forth in the Indenture and the Security Documents. Under certain circumstances, the Security Trustee may have obligations under the Security Documents that are in conflict with the interests of the Holders. The Trustee and the Security Trustee will be under no obligation to exercise any rights or powers conferred under the Indenture or any of the Security Documents for the benefit of the Holders unless such Holders have offered to the Trustee and the Security Trustee indemnity or security reasonably satisfactory to the Trustee and the Security Trustee against any loss, liability or expense.

Furthermore, each Holder, by accepting the Notes will agree, for the benefit of the Trustee and the Security Trustee, that it is solely responsible for its own independent appraisal of and investigation into all risks arising under or in connection with the Security Documents and has not relied on and will not at any time rely on the Trustee or the Security Trustee in respect of such risks.

Book-Entry; Delivery and Form

The certificates representing the Notes will be issued in fully registered form without interest coupons. Notes will initially be represented by one or more permanent global notes in definitive, fully registered form without

- 31 -

interest coupons (each a "Global Note") and will be deposited with the Trustee as custodian for, and registered in the name of a nominee of, DTC.

Each Global Note (and any Notes issued for exchange therefor) will be subject to certain restrictions on transfer set forth therein as described under "Transfer Restrictions."

Ownership of beneficial interests in a Global Note will be limited to persons who have accounts with DTC ("participants") or persons who hold interests through participants. Ownership of beneficial interests in a Global Note will be shown on, and the transfer of that ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants).

So long as DTC, or its nominee, is the registered owner or holder of a Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Global Note for all purposes under the Indenture and the Notes. No beneficial owner of an interest in a Global Note will be able to transfer that interest except in accordance with DTC's applicable procedures, in addition to those provided for under the Indenture.

Payments of the principal of, and interest on, a Global Note will be made to DTC or its nominee, as the case may be, as the registered owner thereof. Neither the Company, nor any of the Subsidiary Guarantors, the Trustee nor any Paying Agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Company expects that DTC or its nominee, upon receipt of any payment of principal or interest in respect of a Global Note, will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Note as shown on the records of DTC or its nominee. The Company also expects that payments by participants to owners of beneficial interests in such Global Note held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Transfers between participants in DTC will be effected in the ordinary way in accordance with DTC rules and will be settled in same-day funds.

The Company expects that DTC will take any action permitted to be taken by a Holder (including the presentation of Notes for exchange as described below) only at the direction of one or more participants to whose account the DTC interests in a Global Note is credited and only in respect of such portion of the aggregate principal amount of Notes as to which such participant or participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC will exchange the applicable Global Note for Certificated Notes, which it will distribute to its participants and which may be legended as set forth under the heading "Transfer Restrictions."

Although DTC is expected to follow the foregoing procedures in order to facilitate transfers of interests in a Global Note among participants of DTC, it is under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Company, any of the Subsidiary Guarantors, the Trustee or any Paying Agent will have any responsibility for the performance by DTC or its participants or indirect participants of its obligations under the rules and procedures governing its operations.

If DTC is at any time unwilling or unable to continue as a depositary for the Global Notes and a successor depositary is not appointed by the Company within 90 days, the Company will issue Certificated Notes in registered form, which may bear the legend referred to under "Transfer Restrictions," in exchange for the Global Notes. Holders of an interest in a Global Note may receive Certificated Notes, which may bear the legend referred to under "Transfer Restrictions," in accordance with the DTC's rules and procedures in addition to those provided for under the Indenture.

The Clearing System

General

DTC has advised the Company as follows:

DTC. DTC is a limited-purpose trust company organized under the laws of the State of New York, a "banking organization" within the meaning of New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities of its participants and to facilitate the clearance and settlement of securities transactions among its participants in such securities through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of securities certificates. DTC's participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations, some of whom own DTC, and may include the dealer manager. Indirect access to the DTC system is also available to others that clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly. Transfers of ownership or other interests in Notes in DTC may be made only through DTC participants. In addition, beneficial owners of Notes in DTC will receive all distributions of principal of and interest on the Notes from the Trustee through such DTC participant.

Deposit and Holding of Notes; Settlement

All Notes issued in the form of global notes will be deposited with the Trustee as custodian for DTC. Investors' interests in Notes held in book-entry form by DTC will be represented through financial institutions acting on their behalf as direct and indirect participants in DTC.

Investors holding their Notes through DTC must follow the settlement practices applicable to United States corporate debt obligations. The securities custody accounts of investors will be credited with their holdings against payment in same day funds on the settlement date.

Secondary Market Trading

Because the purchaser determines the place of delivery, it is important to establish at the time of trading of any Notes where both the purchaser's and seller's accounts are located to ensure that settlement can be made on the desired value date.

Trading between DTC Participants. Secondary market trading between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled using the procedures applicable to United States corporate debt obligations in same-day funds using DTC's Same Day Funds Settlement System.

The sale proceeds will be available to the DTC seller on the settlement date. Thus, to the DTC participant, a cross-market transaction will settle no differently than a trade between two DTC participants.

None of the Company, the Trustee or any Paying Agent will have any responsibility for the performance by DTC or its respective participants or indirect participants of its obligations under the rules and procedures governing their operations.

AFFIDAVIT OF W. JUDSON MARTIN
(Sworn March 30, 2012)

I, W. Judson Martin, of the City of Hong Kong, Special Administrative Region, People's Republic of China, **MAKE OATH AND SAY:**

1. I am the Vice-Chairman and Chief Executive Officer of Sino-Forest Corporation ("SFC"). I therefore have personal knowledge of the matters set out below, except where otherwise stated. Where I do not possess personal knowledge, I have stated the source of my information and I believe such information to be true.

2. This affidavit is sworn in support of an application by SFC for an initial order (the "Initial Order") pursuant to the *Companies' Creditors Arrangement Act* (the "CCAA"), a sale process order (the "Sale Process Order") and other requested relief. In preparing this affidavit, I have consulted with other members of SFC's senior management team and, where necessary, members of the senior management teams of certain of SFC's subsidiaries.

3. All references to dollar amounts contained in this affidavit are to United States Dollars unless otherwise stated.

I. OVERVIEW

4. SFC is a Canadian corporation and is the direct or indirect parent of approximately 140 subsidiaries, the majority of which are incorporated in the People's Republic of China (the "PRC"). The terms "Sino-Forest Companies" and "Sino-Forest" refer to the global enterprise as a whole (but, for greater certainty, do not include the Greenheart Group, defined below).

5. Sino-Forest is a major integrated forest plantation operator and forest products company. Its principal businesses include the ownership and management of plantation forests, the sale of standing timber and wood logs, and the complementary manufacturing of downstream engineered-wood products. The majority of Sino-Forest's plantations are located in the southern and eastern regions of the PRC, primarily in inland regions suitable for large-scale replanting.

6. Sino-Forest's business operations are mainly in the PRC with corporate offices in Hong Kong and Ontario, Canada.

7. On June 2, 2011, Muddy Waters, LLC ("Muddy Waters"), which held a short position on SFC's shares, published a report (the "MW Report") alleging that Sino-Forest, among other things, was a "near total fraud" and a "Ponzi scheme." SFC's board of directors (the "Board") appointed an independent committee (the "IC") to investigate the Muddy Waters allegations.

8. While the IC has been able to address certain of the allegations made by Muddy Waters, the MW Report has had a ripple effect in causing substantial damage to SFC, its business, and future prospects for viability. As part of the fallout from the MW Report, (i) SFC now finds

itself embroiled in multiple class action proceedings across Canada and in the U.S., (ii) SFC is the subject of Ontario Securities Commission ("OSC"), Hong Kong Securities and Futures Commission ("HKSF"), and Royal Canadian Mounted Police ("RCMP") investigations, and (iii) SFC's Audit Committee recommended, and the Board agreed, that SFC should defer the release of SFC's third quarter 2011 financial statements (the "Q3 Results") until certain issues could be resolved to the satisfaction of the Board and SFC's external auditor

9. Significantly, SFC's inability to file its Q3 Results resulted in a default under its note indentures, which could have resulted in the acceleration and enforcement of approximately \$1.8 billion in notes issued by SFC and guaranteed by many of its subsidiaries.

10. Following extensive discussions with an ad hoc committee of noteholders (the "Ad Hoc Noteholders"), holders of a majority in principal amount of SFC's senior notes agreed to waive the default arising from SFC's failure to release the Q3 Results on a timely basis, on certain terms and conditions that were set forth in waiver agreements between certain of the noteholders and SFC, which were made publicly available on January 12, 2012 and are attached as Exhibit "A".

11. While the waiver agreements prevented the indenture trustees under the relevant note indentures from accelerating and enforcing the note indebtedness as a result of SFC's failure to file its Q3 Results, those waiver agreements will expire on the earlier of April 30, 2012 and any earlier termination of the waiver agreements in accordance with their terms. In addition, SFC's pending failure to file its audited financial statements for its fiscal year ended December 31, 2011 (the "2011 Results") by March 30, 2012 will again put the indenture trustees in a position

to accelerate and enforce the bond indebtedness, creating additional uncertainty around Sino-Forest's business.

12. SFC has made considerable efforts to address issues identified by SFC's Audit Committee and the IC and by its external auditor, Ernst & Young LLP, as requiring resolution in order for SFC to be in a position to obtain an audit opinion in relation to its 2011 financial statements.

13. However, notwithstanding SFC's best efforts, many of these issues cannot be resolved to the satisfaction of SFC's auditor or cannot be resolved within a timeframe that would protect and preserve the value of the business, and that would allow SFC to comply with its obligations under its note indentures. Therefore, absent a resolution with the noteholders, the indenture trustees would be in a position to enforce their legal rights as early as April 30, 2012.

14. Following extensive arm's length negotiations between SFC and the Ad Hoc Noteholders, the parties agreed on the framework for a consensual resolution of SFC's defaults and the restructuring of its business, and entered into a support agreement (the "Support Agreement") on March 30, 2012, which was executed by holders of SFC's notes holding approximately 40% of the notes. The Support Agreement contemplates, and in fact provides an incentive for, additional noteholders becoming party to the Support Agreement by way of joinder agreements. Accordingly, I fully expect that noteholders holding more than 50% of each series of notes will ultimately sign up to the Support Agreement.

15. The Support Agreement provides that SFC will pursue a plan of arrangement or compromise (the "Plan") on the terms set out in the Support Agreement in order to implement the agreed-upon restructuring transaction as part of this CCAA proceeding which would, among other things, (i) see SFC's business operations conveyed to, and revitalized under, a new entity to

be owned primarily by the noteholders ("SF Newco"), (ii) provide stakeholders of SFC with claims ranking behind the noteholders (the "Junior Constituents") with certain participation rights in SF Newco, and (iii) create (and provide funding for) a framework for the prosecution of certain litigation claims for the benefit of certain of SFC's stakeholders. The agreement also provides that each noteholder that is a signatory thereto (the "Consenting Noteholders") will vote its notes in favour of the Plan at any meeting of creditors.

16. The Support Agreement further provides that SFC will undertake a sale process (the "Sale Process") in accordance with the sale process procedures (the "Sale Process Procedures") which have been developed in consultation with the proposed monitor, and have been accepted by the parties to the Support Agreement.

17. The Sale Process is intended to provide a "market test" by which third parties may propose to acquire Sino-Forest's business operations through a CCAA Plan (in a manner that would under certain scenarios potentially allow Junior Constituents to share in the proceeds of a sale even though the noteholders may not be paid in full) as an alternative to the SF Newco restructuring transaction between SFC and its noteholders, described above.

18. A redacted copy of the Support Agreement (redacted to preserve confidentiality of the parties only) is attached as Exhibit "B" and will be posted on SEDAR and the proposed monitor's website at <http://cfcanada.fticonsulting.com/sfc>.

19. As described in greater detail below, SFC's business operations are primarily in the PRC and are held by SFC through intermediate holding companies incorporated (for the most part) in either the British Virgin Islands ("BVI") or Hong Kong. Most of these intermediate holding companies are guarantors of SFC's note indebtedness.

20. As further described below, as a result of the uncertainty created by the MW Report, Sino-Forest's business has been severely curtailed, and Sino-Forest's ability to grow its business has been severely reduced. Therefore, SFC now needs to be restructured in order to continue the development of the business and unlock the value of its asset base for the benefit of its stakeholders. Further, although the PRC government has been generally cooperative and encouraging of Sino-Forest to date, it has expressed increasing concern as to the future of Sino-Forest in the PRC. As discussed below, the ongoing support and relationship with the PRC government (on all levels) is crucial to Sino-Forest's operations.

21. Among other things, the Sino-Forest Companies are (i) having a difficult time maintaining existing and obtaining new credit in the PRC to help fund the PRC-based business operation and in Hong Kong for the imported log trading business, (ii) making very few purchases of new timber (and therefore not expanding their asset base), (iii) finding it difficult to collect their accounts receivables, and (iv) receiving increasing demands on their accounts payable. I believe that, if Sino-Forest's business is to be saved in a manner beneficial to SFC's stakeholders, it is imperative that SFC take steps to demonstrate that Sino-Forest's business is being separated from the uncertainty created by the MW Report.

22. Accordingly, and for the reasons set out herein, the commencement of a restructuring and the Sale Process is urgently required and should be pursued to preserve SFC's business as a going concern and thus the inherent value of the enterprise.

23. This application has been authorized by the Board.

II. PERSONAL BACKGROUND

24. I began my career with PricewaterhouseCoopers in 1979. In 1982 I joined Trizec Corporation Ltd. ("Trizec"), a Toronto Stock Exchange ("TSX") listed commercial real estate company then controlled by the Brascan Group. During my 13 years with the group of companies controlled by the Brascan Group, I held several senior positions, including Vice President, Finance and Treasurer of Trizec, Executive Vice President and Chief Financial Officer of Brookfield Development Corporation, and President and CEO of Trilon Securities Corporation.

25. After leaving the Brascan Group, I joined MDC Corporation, where my positions included Senior Executive Vice President, Chief Financial Officer and Chief Operating Officer, and a member of the company's board of directors.

26. In 1999, I was appointed Senior Executive Vice President and Chief Financial Officer of Alliance Atlantis Communications Inc. ("Alliance Atlantis"), then Canada's leading entertainment and broadcasting company that was then listed on the TSX and on the NASDAQ. I ceased to be an executive and employee of Alliance Atlantis in 2005 due to health reasons and thereafter acted as a consultant to Alliance Atlantis until 2007.

27. I have been a director of SFC since 2006. I joined the Board in 2006 as an independent, external director. I was appointed Lead Director in 2007, a position I held until June 2010, when I became an employee of SFC responsible for its acquisition of Greenheart Group Limited (Bermuda) ("Greenheart") and its subsidiaries (collectively, the "Greenheart Group"). At that time I became Executive Vice-Chairman of SFC and, following SFC's acquisition of a majority interest in Greenheart in August 2010, I became the CEO and an Executive Director of

Greenheart and in 2011 was appointed Chairman of Greenheart. On August 26, 2011, I was appointed as CEO of SFC. I have lived and worked out of Hong Kong since becoming an employee of SFC in 2010.

III. SINO-FOREST CORPORATION

A. Overview

28. SFC was formed under the *Business Corporations Act* (Ontario) upon the amalgamation of Mt. Kearsage Minerals Inc. and 1028412 Ontario Inc. pursuant to articles of amalgamation dated March 14, 1994. The articles of amalgamation were amended by articles of amendment filed on July 20, 1995 and May 20, 1999 to effect certain changes in the provisions attaching to SFC's class A subordinate-voting shares and SFC's class B multiple-voting shares.

29. On June 25, 2002, SFC filed articles of continuance to continue under the *Canada Business Corporations Act* (the "CBCA"). On June 22, 2004, SFC filed articles of amendment whereby its class A subordinate-voting shares were reclassified as common shares and its class B multiple-voting shares were eliminated. A copy of the articles of continuance referred to above is attached as Exhibit "C".

30. Subject to paragraph 31 below, copies of all SFC financial statements prepared during the year preceding the application for the Initial Order are attached as Exhibit "D". In considering these financial statements, the Court should be aware that SFC cautioned in a January 10, 2012 press release, a copy of which is attached as Exhibit "E", that its historic financial statements (upon which portions of this affidavit are based) and related audit reports should not be relied upon. The circumstances giving rise to the press release are discussed below.

31. Attached as Exhibit "F" is a copy of the management-prepared unaudited financial statements for the third quarter of 2011. These statements have not been approved by SFC's Audit Committee or the Board and are subject to the limitations described in the January 10, 2012 press release. Moreover, they have not been subject to the same level of internal and external review and analysis as SFC's prior annual audited and quarterly financial statements. These financial unaudited statements have not previously been publicly disclosed.

32. Sino-Forest is a publicly listed major integrated forest plantation operator and forest products company, with assets predominantly in the PRC. Its principal businesses include the sale of standing timber and wood logs, the ownership and management of forest plantation trees, and the complementary manufacturing of downstream engineered-wood products. As at December 31, 2010, Sino-Forest reported approximately 788,700 hectares of forest plantations under management, located primarily in the southern and eastern regions of the PRC.

33. In addition, SFC holds an indirect majority interest in Greenheart, a Hong Kong listed investment holding company, which, together with its subsidiaries, as at March 31, 2011, owned certain rights and managed approximately 312,000 hectares of hardwood forest concessions in the Republic of Suriname ("Suriname") and 11,000 hectares of a radiata pine plantation on 13,000 hectares of freehold land in New Zealand.

34. While Greenheart is an indirect subsidiary of SFC, it has its own distinct operations and financing arrangements and is not party to or a guarantor of the notes issued by SFC. Greenheart Group and SFC operate out of separate office buildings in Hong Kong.

35. Greenheart Group was not implicated in the allegations made against Sino-Forest by Muddy Waters on June 2, 2011, discussed below. As such, the Greenheart Group and matters

relating thereto are not intended to be affected by or included in this proceeding. Greenheart Group has nevertheless been impacted by the allegations made against Sino-Forest. Among other things, Greenheart Group has previously relied on funding from SFC and could be negatively impacted if SFC's business ceases to operate as a going concern. This in turn could negatively impact the value of SFC's investment in Greenheart.

36. Since 1995, SFC has been a publicly listed company on the TSX with its shares traded under the symbol "TRE". SFC's registered office is in Mississauga, Ontario and its principal executive office is in Hong Kong. Two of SFC's senior financial officers reside in Ontario, as do three of its external directors.

37. SFC has issued four series of notes which have a combined principal amount outstanding of approximately \$1.8 billion. Two of the series of notes are supported by guarantees from 64 of SFC's subsidiaries (none of which are incorporated in the PRC), and the other two series of notes are supported by guarantees from 60 of those same subsidiaries and share pledges from 10 of those same subsidiaries.

38. Certain other Sino-Forest Companies have their own distinct banking facilities which are not intended to be affected by or included in this proceeding. In particular, none of the subsidiaries incorporated in the PRC are party to or guarantors of SFC's notes and are not intended to be affected by or included in this proceeding.

B. Corporate Structure

39. SFC is the sole shareholder of Sino-Panel Holdings Limited (incorporated in the BVI), Sino-Global Holdings Inc. (incorporated in the BVI), Sino-Panel Corporation (incorporated in Canada), Sino-Wood Partners Limited (incorporated in Hong Kong), Sino-Capital Global Inc.

(incorporated in the BVI), and Sino-Forest International (Barbados) Corporation (incorporated in Barbados). SFC also holds all of the preference shares of Sino-Forest Resources Inc. (incorporated in the BVI). Some of these subsidiaries have further direct and indirect subsidiaries. A copy of the Sino-Forest corporate organization chart is attached as Exhibit "G" (which includes certain major subsidiaries of Greenheart).

40. A total of 137 entities make up the Sino-Forest Companies: 67 PRC incorporated entities (with 12 branch companies), 58 BVI incorporated entities, 7 Hong Kong incorporated entities, 2 Canadian entities and 3 entities incorporated in other jurisdictions. A list of all subsidiaries with addresses is attached as Exhibit "H" (which does not include subsidiaries of Greenheart, but does contain Sino-Forest branch companies).

C. Capital Structure

1. Equity

41. The authorized share capital of SFC consists of an unlimited number of common shares and an unlimited number of preference shares issuable in series. Each holder of common shares is entitled to one vote at meetings of shareholders other than meetings of the holders of another class of shares.

42. Each holder of common shares is also entitled to receive dividends if, as and when declared by the Board. Holders of common shares are also entitled to participate in any distribution of net assets upon liquidation, dissolution or winding-up on an equal basis per share. There are no pre-emptive, redemption, retraction, purchase or conversion rights attaching to the common shares.

43. As at June 30, 2011, a total of 246,095,926 common shares were issued and outstanding. No preference shares have been issued.

2. Debt

44. SFC has issued four series of notes which remain outstanding. The four series of notes mature at various times between 2013 and 2017. The note indenture for each series of notes provides that it is governed by New York law. Each note indenture contains a "no suits by holders" clause. Other than the debt outstanding under the notes, SFC does not have any significant levels of normal course payables.

(a) 2017 Senior Notes

45. On October 21, 2010, SFC issued guaranteed senior notes in the principal amount of \$600 million. These notes mature on October 21, 2017, and interest is payable semi-annually, on April 21 and October 21, at a rate of 6.25% per annum. These notes are listed on the Singapore Stock Exchange and are supported by guarantees from 60 subsidiaries of SFC and share pledges from 10 of those same subsidiaries. A copy of the relevant indenture is attached as Exhibit "I".

(b) 2016 Convertible Notes

46. On December 17, 2009, SFC issued convertible guaranteed notes in the principal amount of \$460 million. These notes mature on December 15, 2016, and interest is payable semi-annually, on June 15 and December 15, at a rate of 4.25% per annum. These notes are supported by guarantees from 64 subsidiaries of SFC. A copy of the relevant indenture is attached as Exhibit "J".

(c) 2014 Senior Notes

47. On July 27, 2009, SFC issued guaranteed senior notes in the principal amount of \$399,187,000. These notes mature on July 28, 2014, and interest is payable semi-annually, on January 26 and July 26, at a rate of 10.25% per annum. These notes are listed on the Singapore Stock Exchange and are supported by guarantees from 60 subsidiaries of SFC and share pledges from 10 of those same subsidiaries. A copy of the relevant indenture is attached as Exhibit "K".

(d) 2013 Convertible Notes

48. On July 23, 2008, SFC issued convertible guaranteed notes in the principal amount of \$345 million. These notes mature on August 1, 2013, and interest is payable semi-annually, on February 1 and August 1, at a rate of 5% per annum. These notes are supported by guarantees from 64 subsidiaries of SFC. A copy of the relevant indenture is attached as Exhibit "L".

49. In addition to the four series of notes issued by SFC, many of SFC's subsidiaries (including the Greenheart Group and many of those incorporated in the PRC) have their own distinct banking facilities, including lending facilities, which are not intended to be affected by this proceeding.

D. The Business Model

1. Plantation / Timber Rights in the PRC

50. There are four types of rights associated with plantations in the PRC, namely (i) plantation land ownership, (ii) plantation land use rights, (iii) timber ownership, and (iv) timber use rights. All of these are separate rights and can be separately owned by different parties.
